Portal Migration-Effective 5/1/2024

- eviCore currently accepts Radiology, Cardiology and Musculoskeletal prior authorization requests for Cigna Healthcare Medicare Advantage members through the MedSolutions portal. Beginning May 1, 2024, these requests should be entered through the CareCore National portal at eviCore.com.
- If a provider has an existing login, the same credentials are used for both portals and a new account does not need to be created.
- Any authorizations requested prior to May 1, 2024 can still be viewed on the MedSolutions portal, but as of May 1, 2024 all new requests must be created on the CareCore National portal, as shown below.
