Benefits of Web Authorization

eviCore healthcare
by Evernorth

Did you know that most providers are already saving time submitting prior authorization requests online?

We have been listening to you and have incorporated a number of enhancements that will streamline your online experience, allowing you to go from request to approval faster!

save time

1

Save time!
Web authorization requests take 3 minutes on average. Phone authorization requests take 12 minutes on average.

2

24/7 access!
You can access the web authorization service at any time, on any day. Phone authorizations have to be requested during business hours.

3

Save your progress!
Need to step away? Need to obtain additional information? Save your authorization request progress and come back to it.

4

View and print authorization information!
Approval details and the approval number are easily available online, and can be printed at your convenience.

5

Other online features
Features include the ability to access clinical criteria, check member eligibility, upload additional clinical information and schedule Clinical Consultations.

Go to www.eviCore.com to register and begin initiating authorizations online today!
