

- This benefit/harm statement only applies to those jurisdictions that do not have Medicare guidance.
- Based upon the guidelines and evidence provided in the clinical policy, following EviCore's criteria for Thyroseq will ensure that testing will be available to those members most likely to benefit from the information provided by the assay. For those not meeting criteria, it ensures alternate management strategies are considered. However, it is possible that some members who would benefit from the testing, but do not meet clinical criteria, will not receive an immediate approval for testing.
