

Other Cancer Type - Radiopharmaceuticals Radiation Therapy Request

By **EVERNORTH**

This worksheet is to be used for treatment involving Radiopharmaceuticals. If external beam radiation therapy is being planned for treatment of the liver, please use the appropriate cancer type worksheet. If the request is for SIRT, please use the appropriate physician worksheet.

For NON-URGENT requests, please complete this document for authorization along with any relevant clinical documentation requested within this document (i.e. radiation therapy consultation, comparison plan, etc.) before submitting the case by web, phone, or fax. Failure to provide all relevant information may delay the determination. Phone and fax numbers can be found on evicore.com under the Guidelines and Fax Forms section. You may also log into the provider portal located on the site to submit an authorization request. **URGENT (same day) requests must be submitted by phone.**
