

## Lab Management

### Frequently Asked Questions

#### Who is eviCore healthcare?

eviCore healthcare (eviCore) is an independent specialty medical benefits management company that provides utilization management services for healthfirst.

#### Which members will eviCore healthcare manage for the Lab Management program?

eviCore will manage prior authorization for healthfirst members who are enrolled in the following programs:

- Medicare
- Medicaid
- Commercial

#### What is eviCore healthcare's Lab Management program?

The eviCore Laboratory Management solution ensures appropriate utilization of genomic testing through evidence-based clinical policies and medical necessity review. There are more than 70,000 available genetic tests, with new tests added quarterly. eviCore helps providers and plans know which tests have sufficient clinical evidence to support their use.

#### When is the eviCore healthcare Lab Management Program in effect for healthfirst?

The effective date for the Lab Management Program for delegated members of healthfirst is dates of service 1/1/21 and beyond.

#### Which testing services require prior authorization for healthfirst?

Certain outpatient molecular and genomic tests will require prior authorizations. Please refer to the list of CPT/HCPCS codes that require prior authorization at the following link:

<https://www.evicore.com/resources/healthplan/healthfirst>.

Find the Health Plan > Select Solution Resources> Select Laboratory Management> Select CPT Code List.

#### How do I check the eligibility and benefits of a member?

Member eligibility and benefits should be verified on <https://healthfirst.org/> before requesting prior authorization through eviCore.

#### Who needs to request prior authorization through eviCore?

All physicians who request/order Lab services are required to obtain a prior authorization for services prior to the service being rendered in an office or outpatient setting. It is the responsibility of the performing laboratory to confirm that the rendering physician completed the prior authorization process for molecular/genomic testing.

#### How do I request a prior authorization through eviCore healthcare?

Providers and/or staff can request prior authorization in one of the following ways:

#### Web Portal

The eviCore portal is the preferred method to initiate a request. It is the quickest, most efficient way to request prior authorization and is available 24/7. Providers can request authorization by visiting [www.evicore.com](http://www.evicore.com)

**Call Center**

eviCore’s call center is open from 7 a.m. to 7 p.m. local time. Providers and/or staff can request prior authorization and make revisions to existing cases by calling 877-773-6964.

**What are the benefits of using eviCore healthcare’s Web Portal?**

Our web portal provides 24/7 access to submit or check on the status of your request. The portal also offers additional benefits for your convenience:

- **Speed** – Requests submitted online require half the time (or less) than those taken telephonically. They can often be processed immediately.
- **Efficiency** – Medical documentation can be attached to the case upon initial submission, reducing follow-up calls and consultation.
- **Real-Time Access** – Web users are able to see real-time status of a request.
- **Member History** – Web users are able to see both existing and previous requests for a member

**What information is required when requesting prior authorization?**

When requesting prior authorization, please ensure the proprietary information is readily available:

**Member**

- First and Last Name
- Date of Birth
- Address
- Member ID
- Member Ethnicity

**Ordering Provider**

- First and Last Name
- National Provider Identification (NPI) Number
- Tax Identification Number (TIN)
- Phone and Fax Number

**Rendering (Performing) Provider**

- Facility Name
- National Provider Identification (NPI) Number
- Tax Identification Number (TIN)
- Street Address

**Clinical(s)**

- Specimen collection date (if applicable)
- Type or test name (if known)
- CPT code(s) and units
- ICD code(s) relevant to requested test
- Test indication (personal history of condition being tested, age at initial diagnosis, relevant signs and symptoms if applicable)
- Relevant past test results
- Relevant family history if applicable (maternal or paternal relationship, medical history including ages at diagnosis, genetic testing)
- If there is a known familial mutation, what is the specific mutation?
- How will the test results be used in the patient’s care?

- Submit any pertinent clinical documentation that will support the test request.

### What is the most effective way to get authorization for urgent requests?

Urgent requests are defined as a condition that is a risk to the patient’s health, ability to regain maximum function and/or the patient is experiencing severe pain that require a medically urgent procedure. Urgent requests may be initiated on our web portal at [evicore.com](http://evicore.com) or by contacting our contact center at 877-773-6964. Urgent requests will be processed within 24 hours from the receipt of complete clinical information.

**Note:** Please select urgent for those cases that truly are urgent and not simply for a “quicker” review. Also note that if a request is selected as urgent but does not meet guidelines to be considered urgent, the case may be reassigned as a routine case.

### After I submit my request, when and how will I receive the determination?

After all clinical info is received, for normal (non- urgent) requests a decision is made within **2-3 business days**. For urgent requests, a decision is made within 24 hours (Medicare/Medicaid). The provider will be notified by fax.

### How long is the authorization valid?

Authorizations are valid for **90 calendar days**.

### What are my options if I receive an adverse determination?

The referring and rendering provider will receive a denial letter that contains the reason for denial as well as reconsideration and appeal rights process.

**Note:** The referring provider may request a Clinical Consultation within two (2) business days with an eviCore Medical Director to review the decision.

### How do I make a revision to an authorization that has been performed? How do I make a revision to authorization that has not been performed?

The requesting provider or member should contact eviCore with any change to the authorization, whether or not the procedure has already been performed.

### What information about the prior authorization will be visible on the eviCore healthcare website?

The authorization status function on the website will provide the following information:

- Prior Authorization Number/Case Number
- Status of Request
- Site Name and Location
- Prior Authorization Date and Expiration Date

### How do I determine if a provider is in network?

Participation status can be verified to healthfirst directly. eviCore receives a provider file from healthfirst with all independently contracted participating and non-participating providers.
