

Sleep Management Quick Reference

Required Authorization

Prior authorization is required for the following studies:

- Facility Based Polysomnography
- Facility Based PAP Titration
- Facility Based Split-Night Studies

Authorization Requirements

To ensure the authorization process is as quick and efficient as possible, the physician's office submitting requests will need to provide the following:

- Member Name, Date of Birth, Member ID
- Ordering physician's name, NPI, Tax ID, Address
- Rendering facilities name, NPI, Tax ID, Address
- Supporting Clinical Information

Authorizations

An authorization number will be faxed to the ordering physician and requested facility upon approval. eviCore healthcare will approve the specific facility performing the services study and the CPT code or codes for diagnostic imaging.

Contact eviCore healthcare for changes to facility or study.

It is the responsibility of the performing provider to obtain authorization. Verification of authorization requirements may be obtained via the eviCore website or by calling 888-444-6185.

Important: Authorization from eviCore does not guarantee claim payment. Services must be covered by the health plan and the member must be eligible at the time services are rendered. Claims submitted for unauthorized procedures are subject to denial, and the member must be held harmless. Please verify the member's eligibility with the health plan.

Authorization Denials

A denial letter will be faxed to the ordering physician and mailed to the member with rationale for the determination within one business day of decision. The denial notification sets forth the appeal options per current state policy. eviCore also offers the ordering physician a consultation with an eviCore Medical Director. In certain instances, additional information provided during the physician consultation is sufficient to satisfy medical necessity criteria.

Need Clinical Support?

Providers and/ or staff can request to speak to an eviCore Medical Director by scheduling a clinical consultation. To schedule a clinical consultation, please visit:

www.evicore.com/provider/request-a-clinical-consultation

Please contact the health plan directly to discuss reconsiderations of claims payment.

No Required Authorization

Prior authorization is not required for the following services:

- Emergency room services
- 23-hour observation
- Out-patient sleep services not indicated

Clinical Worksheets and Guidelines

eviCore uploads clinical worksheets and guidelines to assist providers and/or their staff to assist in the prior authorization process. By utilizing these educational resources, providers have the potential to receive real-time authorization.
