Benefits of Web Authorization

eviCore healthcare
Did you know that most providers are already saving time submitting prior authorization requests online?

We have been listening to you and have incorporated a number of enhancements that will streamline your online experience, allowing you to go from request to approval faster!

3 min
average web
auth request

1 **Save time!**
Web authorization requests take 3 minutes on average. Phone authorization requests take 12 minutes on average.

2 **24/7 access!**
You can access the web authorization service at any time, on any day. Phone authorizations have to be requested during business hours.

3 **Save your progress!**
Need to step away? Need to obtain additional information? Save your authorization request progress and come back to it.

4 **View and print authorization information!**
Approval details and the approval number are easily available online, and can be printed at your convenience.

5 Other online features available include the ability to access clinical criteria, check member eligibility, upload additional clinical information and schedule Clinical Consultations using this link:
https://www.evicore.com/healthplan/priorityhealth

NOTE: You must use the NPI number of the provider when initiating a case.

Go to www.priorityhealth.com to request an authorization online today!
