

Benefits of Web Authorization

Did you know that the eviCore web portal is available 24/7 and is the quickest and easiest way to create Prior Approval requests and check existing case status?

1

Save time!

Web **prior approval** requests take 1 minute 30 seconds on average. Phone authorization requests take 12 minutes on average.

2

24/7 access!

You can access the web authorization service at any time, on any day. Phone authorizations have to be requested during business hours.

3

Save your progress!

Need to step away? Need to obtain additional information? Save your authorization request progress and come back to it.

4

View and print approval information!

Approval details and approval number are at your fingertips, so you can print them at your convenience.

5

Other online features include the ability to check member eligibility, easily add a practitioner, **check case status**, and upload additional clinical information to an existing case.

Go to www.evicore.com/pages/ProviderLogin.aspx and click 'Register' to begin initiating prior approval requests and check case status online today!

If you would like to participate in one of our **Web Portal Training** sessions, please see the training schedule posted under the **“TRAINING”** link on our implementation site: <https://www.evicore.com/healthplan/emblem>.
