- OB/Non-OB Ultrasound

### Authorization Not Required

### Urgent Requests

When service is required due to a medically urgent condition, the referring physician's office must **call eviCore healthcare at 855.252.1117** for authorization. eviCore will make a good faith effort to render a decision within **72 hours of receipt (48 hours for IL Medicaid only)** of all necessary information. In most cases where requisite information is provided in the initial call, a decision is rendered and communicated within 1 business day. Please indicate that the notification is for **medically urgent care**.

### Authorization Requirements

To ensure the authorization process is as quick and efficient as possible, we highly recommend that the physician's office submitting requests have:

- Recent clinical information including prior

tests, lab work, and /or imaging performed related to this diagnosis

- Working or differential diagnosis and notes from the patient's last visit related to the diagnosis and
- Notes
- Type and duration of treatment performed
- Patient's name, address
- Member ID

### Authorizations

An authorization number will be faxed to the ordering physician and requested facility upon approval, urgent requests will be delivered verbally. eviCore healthcare will approve the specific facility performing the imaging study and the CPT code or codes for diagnostic imaging. **Contact eviCore healthcare for changes to facility.**

It is the responsibility of the performing facility to confirm that the referring physician completed the prior authorization process for advanced imaging procedures. Verification may be obtained via the eviCore healthcare website or by calling 855.252.1117.

**Important!** Authorization from eviCore healthcare does not guarantee claim payment. Services must be covered by the health plan and the member must be eligible at the time studies are rendered. **Claims submitted for unauthorized procedures are subject to denial, and the member must be held harmless.** Please verify the member's eligibility with the health plan.

### Authorization Denials

eviCore healthcare notifies the referring physician and requested facility in writing of a denial and provides a rationale for the determination within one working day of decision. This communication sets forth the appeal options per current state policy. eviCore healthcare also offers the ordering physician a consultation with an eviCore healthcare Medical Director on a peer-to-peer basis. In certain instances, additional information provided during the peer-to-peer consultation is sufficient to satisfy medical necessity criteria.
