Dear Provider:

eviCore healthcare is pleased to announce an enhancement to the authorization process for members of Jefferson Health Plans for the following programs:

- Cardiology Advanced Imaging
- Musculoskeletal Services: Pain, Joint and Spine Procedures
- Radiology Advanced Imaging
- Sleep Management

Effective January 1, 2024, Jefferson Health Plans members with plans that require prior authorization from eviCore will require requests to be submitted via the CareCore National portal. Services performed without authorization may be denied for payment, and you may not seek reimbursement from members.

Under the enhanced process, you will be directed to submit requests electronically via the CareCore National portal at www.evicore.com (preferred), telephonically by contacting the eviCore prior authorization unit, or via fax.

To help familiarize you with these changes, we invite you to attend our online orientation. All online orientation sessions require advance registration.
