

# New Prior Authorization Portal

Switchover Occurs August 5, 2024

Medical Drug Management (MDM) will be migrating authorization services currently managed on the ExpressPAth portal to the portal accessed on [EviCore.com](https://EviCore.com). Beginning August 5, 2024, prior authorization request submissions for non-oncology specialty drugs for Network Health members will be managed on [EviCore.com](https://EviCore.com).

Registration for online provider training sessions is now available on [EviCore.webex.com](https://EviCore.webex.com). The training session schedule and registration instructions are outlined below. The sessions are designed to assist you and your staff with understanding the changes being made, how to access and utilize the new portal, and will include a question-and-answer period. We highly encourage staff members responsible for submitting prior authorization requests to register and attend.

## Registration

Training sessions require advance registration. Each online session is free of charge and will last approximately one hour. All times listed are CDT.

## How to Register

1. Visit [EviCore.webex.com](https://EviCore.webex.com).
2. Select **WebEx Training** from the menu bar in the top left of page. 
3. Click the **Upcoming** tab.
4. Find **MDM portal migration for Network Health** in the list and click the **Register** link next to the session you wish to attend.
5. Enter your registration information.

After you have registered, you will receive an email containing the toll-free phone number, meeting number, conference password and a link to the web portion of the training session.

**Please keep the registration email** so you will have the link and call-in number for your training. We recommend you **add the session to your calendar**, so you do not forget.
