What is Changing: Platform Migration

Platform Migration: Effective 10/1/2025

- **EviCore currently accepts prior authorization requests for Radiology Alabama Medicaid members through the MedSolutions portal. Beginning 10/1/2025 these requests should be entered through the CareCore National portal at EviCore.com.**

- **If a provider has an existing login, the <u>same</u> credentials are used for both portals, and a new account does <u>not</u> need to be created.**

- **Any authorizations requested prior to 10/1/2025 can still be viewed on the MedSolutions portal, but as of 10/1/2025, all new requests must be created on the CareCore National portal, as shown below.**

Welcome Screen | MedSolutions
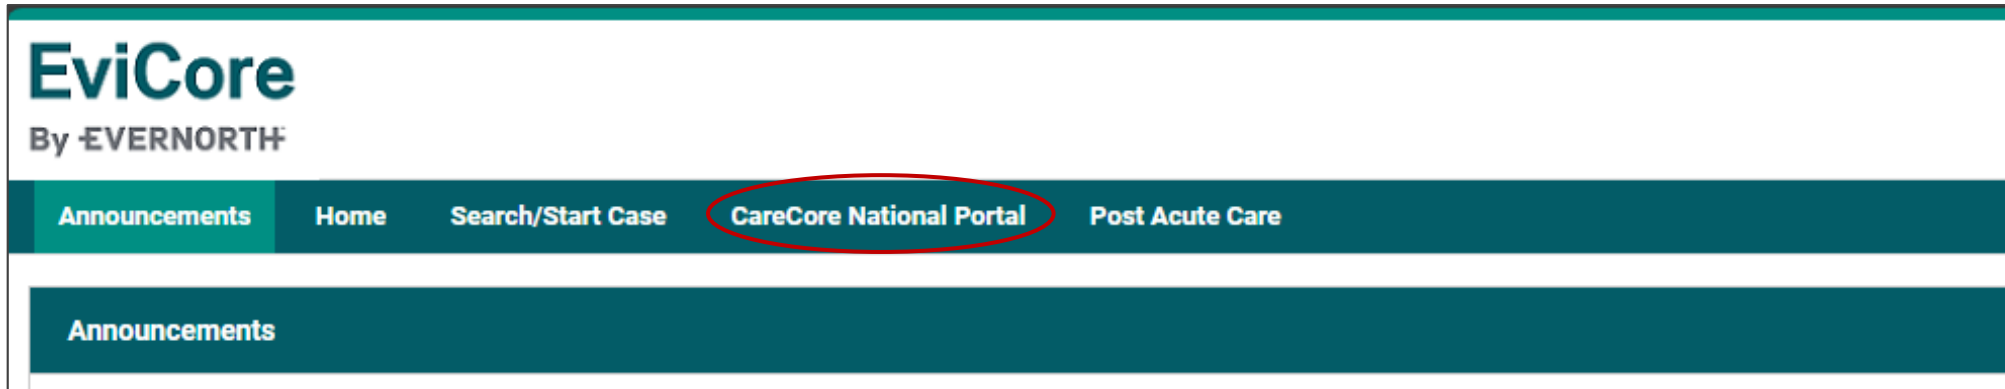

- If your login takes you to the MedSolutions Portal, you can click the **CareCore National Portal** button (as seen above) to seamlessly toggle back and forth between the two portals.

- As you can see from the Announcements on this screen, many health plan programs are migrating from the MedSolutions Portal to the CareCore National portal.
