

**Cigna + Oscar**  
**Medical Oncology Code List**

**\*\*\*Please note: This list is constantly evolving as new drugs come to market and are approved by the FDA as well as with any HCPC code changes issued by CMS. Please contact Cigna + Oscar or EviCore, if the new drug or HCPC code you are requesting is not contained on this list, to determine if prior authorization is needed\*\*\***

Effective Date: 10/01/25

| Description                                          | Alt Descriptions         | HCPCs Code | Program                  | Drug Class              | Administration Technique | Cigna plus Oscar | Drug Comments |
|------------------------------------------------------|--------------------------|------------|--------------------------|-------------------------|--------------------------|------------------|---------------|
| 5-Fluorouracil- Injection                            | 5FU, Adrucil             | J9190      | Medical Oncology - CHEMO | Primary                 | INJECTABLE               | Y                |               |
| Ado-Trastuzumab Emtansine                            | Kadcyla                  | J9354      | Medical Oncology - CHEMO | Primary                 | INJECTABLE               | Y                |               |
| Aldesleukin                                          | Proleukin, Interleukin-2 | J9015      | Medical Oncology - CHEMO | Primary                 | INJECTABLE               | Y                |               |
| Amivantamab-vmjw                                     | Rybrevant                | J9061      | Medical Oncology - CHEMO | Primary                 | INJECTABLE               | Y                |               |
| Anakinra                                             | Kineret                  | J3590      | Medical Oncology - CHEMO | Primary                 | INJECTABLE               | Y                |               |
| Aprepitant                                           | Cinvanti                 | J0185      | Medical Oncology - SPORT | Supportive - Antiemetic | INJECTABLE               | Y                |               |
| Arsenic Trioxide                                     | Trisenox                 | J9017      | Medical Oncology - CHEMO | Primary                 | INJECTABLE               | Y                |               |
| Asparaginase                                         | Erwinaze                 | J9019      | Medical Oncology - CHEMO | Primary                 | INJECTABLE               | Y                |               |
| Asparaginase erwinia chrysanthemi (recombinant)-rywn | Rylaze                   | J9021      | Medical Oncology - CHEMO | Primary                 | INJECTABLE               | Y                |               |
| Atezolizumab                                         | Tecentriq                | J9022      | Medical Oncology - CHEMO | Primary                 | INJECTABLE               | Y                |               |
| Atezolizumab and Hyaluronidase-lqjs                  | Tecentriq Hybreza        | J9024      | Medical Oncology - CHEMO | Primary                 | INJECTABLE               | Y                |               |
| Avelumab                                             | Bavencio                 | J9023      | Medical Oncology - CHEMO | Primary                 | INJECTABLE               | Y                |               |
