CareFirst Prior Authorization Services

EviCore will begin accepting prior authorization requests for Radiology and Cardiology services on July 15, 2024, for dates of service August 2, 2024, and after.

To allow time for authorization requests to be submitted and approved prior to rendering services, CareFirst is providing a grace period for claims submission for services that were already scheduled between July 22nd and August 1st. Claims submitted for services requiring authorization during this time will not be denied for no authorization. CareFirst will require approved authorizations to be on file for claims payment for dates of service beginning August 2nd and beyond.

Applicable Membership	Prior authorization applies to the following services	Prior authorization does NOT apply to services performed in

Utilization Management | Prior Authorization

Easy for
providers
and staff

Benefits to Using EviCore's Provider Portal

The EviCore Provider Portal is the easiest, most efficient way to request clinical reviews and check statuses.

- **Save time:** Quicker process than requests by phone or fax
- **Available 24/7**
- **Save your progress:** If you need to step away, you can save your progress and resume later
- **Upload additional clinical information:** No need to fax in supporting clinical documentation, it can be uploaded on the portal
- **View and print determination information:** Check case status in real-time
- **Dashboard:** View all recently submitted cases
- **E-notification:** Opt-in to receive email notifications when there is a change to case status
- **Duplication feature:** If you are submitting more than one request, you can duplicate information to expedite submittals

Necessary Information for Prior Authorization

To obtain prior authorization on the very first submission, the provider submitting the request will need to gather information within four categories:

Member

- Health Plan ID
- Member name
- Date of birth (DOB)

Referring (Ordering) Physician

- Physician name
- National provider identifier (NPI)
- Phone & fax number

Rendering Facility

- Facility name
- Address
- National provider identifier (NPI)
- Tax identification number (TIN)
- Phone & fax number

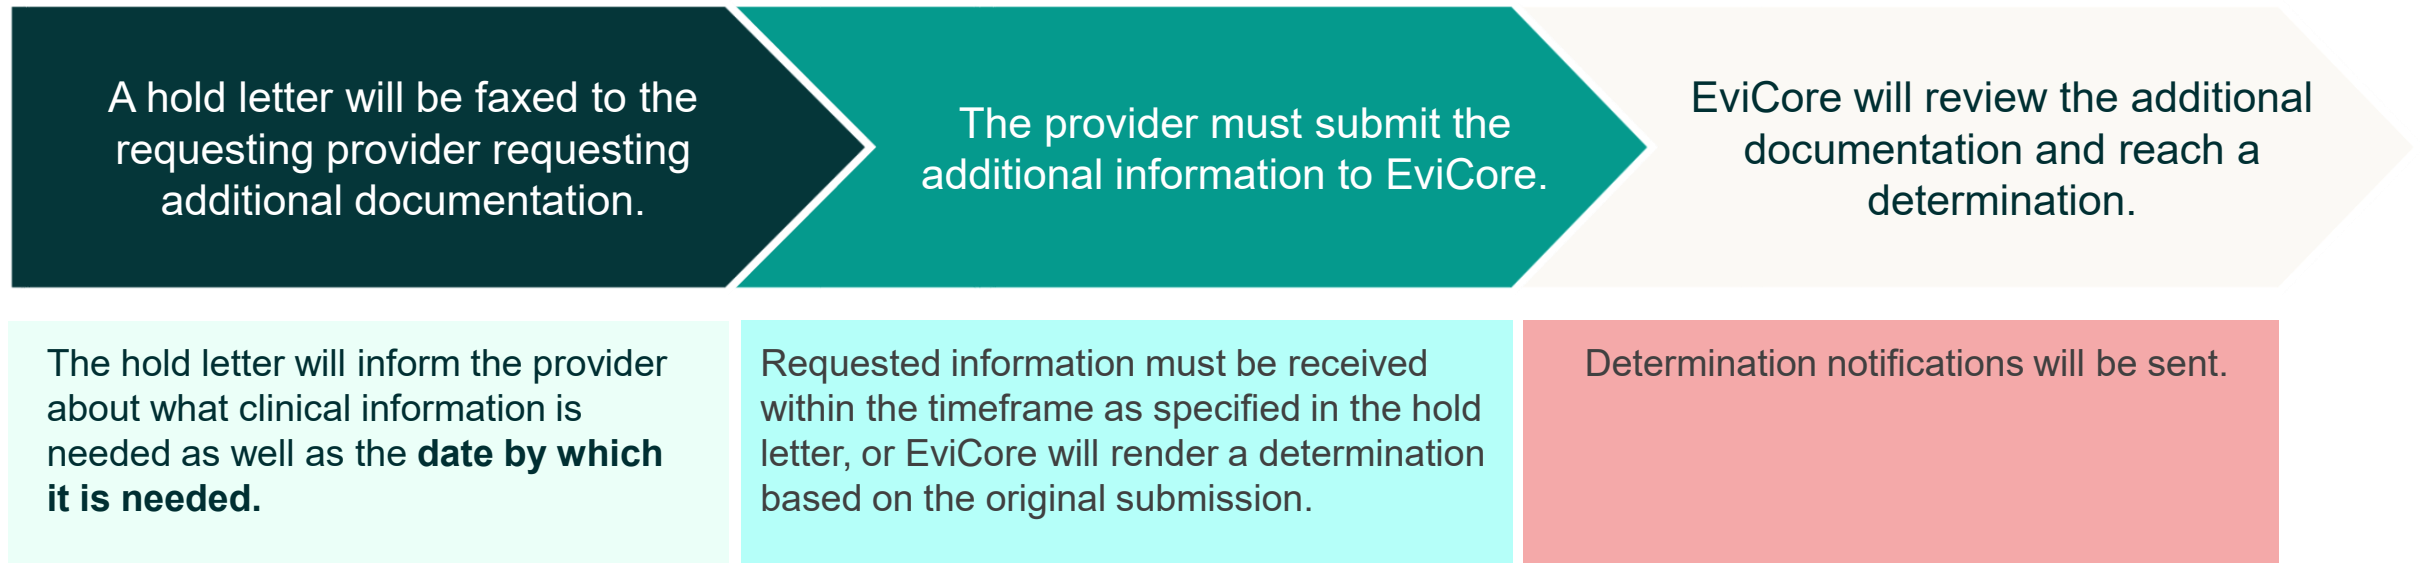

Supporting Clinical

- Pertinent clinical information to substantiate medical necessity for the requested service
- CPT/HCPCS Code(s)
- Diagnosis Code(s)
- Previous test results

Insufficient Clinical | Additional Documentation Needed

If during case build all required pieces of documentation are not received, or are insufficient for EviCore to reach a determination, the following will occur:

Prior Authorization Outcomes, Special Considerations & Post- Decision Options

EviCore

Prior Authorization Determination Outcomes

Determination Outcomes

- **Approved Requests:** Authorizations for MD and VA are valid for 90 calendar days from the date of the determination. Authorizations where the Jurisdiction state is DC those authorizations will be valid for 365 calendar days from the date of determination.
- **Partially Approved Requests:** In instances where multiple CPT codes are requested, some may be approved, and some denied. In these instances, the determination letter will specify what has been approved, as well as post-decision options for denied codes, including denied Site of Care (if applicable)
- **Denied Requests:** If a request is determined as inappropriate based on evidence-based guidelines, a notification with the rationale for the decision and post-decision/ appeal rights will be issued.

Notifications

- Authorization letters will be faxed to the ordering physician.
- Web-initiated cases will receive e-notifications if a user opted in to this method.
- Members will receive a letter by mail.
- Approval information can be printed on demand from the [EviCore portal](#).

Special Circumstances

Retrospective Authorization Requests

- A standard retro must be submitted within 2 business days from the date of services.
- An urgent retro must be submitted in 3 business days from the date of service.
- Any submitted beyond this timeframe will be expire.
- Reviewed for **clinical urgency** and medical necessity
- Processed within 30 calendar days
- When authorized, the start date will be the submitted date of service

Urgent Prior Authorization Requests

- EviCore uses the NCQA/URAC definition of **urgent**: when a delay in decision-making may seriously jeopardize the life or health of the member
- Can be initiated on provider portal or by phone
- Urgent cases are typically reviewed within 24 to 72 hours

Special Circumstances (cont.)

Alternative Recommendation

- An alternative recommendation may be offered based on EviCore's evidence-based clinical guidelines
- The ordering provider can either accept the alternative recommendation or request a reconsideration for the original request

Authorization Update

- If updates are needed on an existing authorization, providers can contact EviCore by phone
- If the authorization is not updated and a different facility location or CPT code is submitted on the claim, it may result in a claim denial

Post-Decision Options

Fully-Commercial Members

My case has been denied. What's next?

Your determination letter is the best immediate source of information to assess what options exist on a case that has been denied.

You may also call EviCore at **844-303-8450** to speak with an agent who can provide available option(s) and instruction on how to proceed.

Alternatively, select 'All Post Decisions' under the authorization lookup function on [EviCore.com](https://www.evicore.com) to see available options.

Reconsiderations

- Reconsiderations must be requested within 14 calendar days after the determination date.
- Reconsiderations can be requested in writing or verbally via a Clinical Consultation with an EviCore physician.

Appeals

- EviCore will process first-level appeals.
- Appeal requests can be submitted in writing or verbally via a Clinical Consultation with an EviCore physician.
- A written notice of the appeal decision will be mailed to the member and faxed to the ordering provider.

ALL POST DECISION OPTIONS

- From CareFirst's Provider Website, <https://provider.carefirst.com>, log into the CareFirst Provider Portal (CareFirst Direct).
- Select the Prior Auth/Notification tab.
- Select Start Now within the Advanced Imaging for Cardiology and Radiology box to be transferred to EviCore healthcare Prior Authorization Portal (CareCore National Portal)
- From the EviCore Prior Authorization Portal landing page, you will see "**Clinical Review Lookup**" at the top of the screen to determine the status of request
- Click on the **P2P Availability** button to determine if your case is eligible for a Peer-to-Peer consultation
- Please note to carefully read any messaging that displays (example verbiage below)

*In some instances, a Peer-to-Peer consultation is allowed, but the case decision can not be changed. In such cases, you can still request a **Consultative-Only Peer-to-Peer**. You can also click on the **ALL POST-DECISION OPTIONS** button to learn what other action can be taken.

Once the **Request Peer-to-Peer Consultation** link is selected, you will be transferred to our scheduling software via a new browser window.
