

Date: November 1, 2025

To: All WellSense Providers

From: WellSense Health Plan

Subject: **Prior authorization for certain provider-administered medications**

Product: ☒ MassHealth ☐ Clarity plans ☐ Senior Care Options

Prior authorization for certain provider-administered medications

Starting January 1, 2026, we'll require prior authorization for certain provider-administered medications delivered in a provider office, outpatient hospital or ambulatory setting for all members. Specific medication criteria for your reference can be found [here](#).

A full list of impacted medications will be shared in November.

As part of this change, we've partnered with Care Continuum, to manage medical drug utilization review on our behalf. Beginning January 1, prescribers can submit electronic authorization requests to Care Continuum through the [EviCore](#) provider portal at evicore.com.

If you are unable to use the portal, Care Continuum is also available by calling 877-512-5985 or by faxing 833-812-0687.

Case status or inquiries can be handled through the EviCore provider portal or by calling Care Continuum.

Brief virtual trainings on the authorization process will be available before the launch and during the first week of go-live. All sessions are free of charge and require advance registration. Any members of your staff responsible for submitting prior authorization requests are encouraged to attend.

If you can't participate in a session, you can get a copy of the presentation and other relevant resources [here](#).

Training sessions on the new prior authorization process

Brief virtual trainings on the authorization process will be available before the launch. All sessions are free of charge but require advance registration. Any members of your staff responsible for submitting prior authorization requests are encouraged to attend.

If you can't participate in a session, you can get a copy of the presentation and other relevant resources [here](#).

Available trainings:

- Monday, Dec. 8 at 2:00 pm
- Tuesday, Dec. 9 at 10:00 am

To register:

1. Go to EviCore.webex.com.
2. Select "WebEx Training" from the menu bar on the left.
3. Click the "Upcoming" tab and search "WellSense" and choose the session you want to attend.
4. Click "Register" next to the session you'd like to attend.
5. Enter the registration information.

After you've registered, you'll receive an email with the full event details. Please keep the registration email or save those details to your calendar. You'll need the link and call-in number.

Questions?

Please contact Provider Service at provider.info@wellsense.org or 866-566-0008.
