Platform/Portal Change – Effective December 18, 2025

- + EviCore currently accepts Sleep services prior authorization requests for Cigna Healthcare members through the eP360 portal. Beginning December 18, 2025, these requests should be entered via EviCore.com (or EviCore.com/providers) at Provider's Hub | EviCore by Evernorth.
 - + On and after December 18, 2025, all new requests must be created via <u>Provider's Hub | EviCore by Evernorth</u> and will be managed on <u>Provider's Hub | EviCore by Evernorth</u>.
 - + All cases that have been previously decided will be migrated to <u>Provider's Hub | EviCore by Evernorth</u> and will be managed on <u>Provider's Hub | EviCore by Evernorth</u>.
 - + Important: Any authorization that was requested prior to December 18, 2025, and remain pending after December 18, 2025, will be managed on the eP360 portal until the case is decided.
- + If you already submit requests on EviCore.com, you will use your existing EviCore.com login credentials.

Ongoing Provider Portal Training

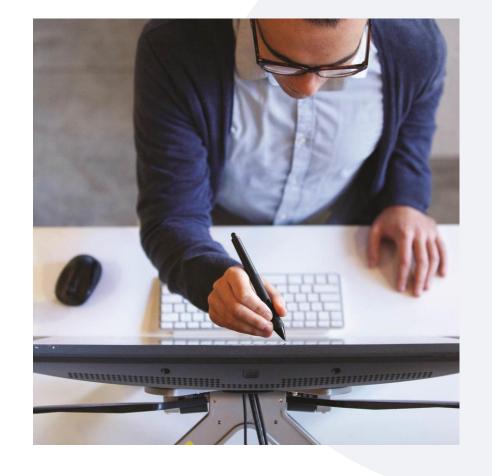

General EviCore.com portal trainings are offered twice a week, every week.

All online orientation sessions are free of charge and will last approximately one hour. Advance registration is required, so follow the instructions below to sign up:

How To Register

- Go to http://eviCore.webex.com/
- 2. Click on the "hamburger" menu on the far-left hand side (below the eviCore logo), then choose "**Webex Training**"
- 3. On the **Live Sessions** screen, click the "**Upcoming**" tab. In the search box above the tabs, type: **Intro to Web Portal Training**
- 4. Choose the date and time for the session you would like to attend and click the "**Register**" link beside it. (You will need to register separately for each session.)
- 5. Complete the required information and click the "Register" button Immediately after registering, you will receive an e-mail containing the toll-free phone number, meeting number, conference password, and a link to the web portion of the conference. Please keep the registration e-mail so you will have the Web conference information for the session in which you will be participating.

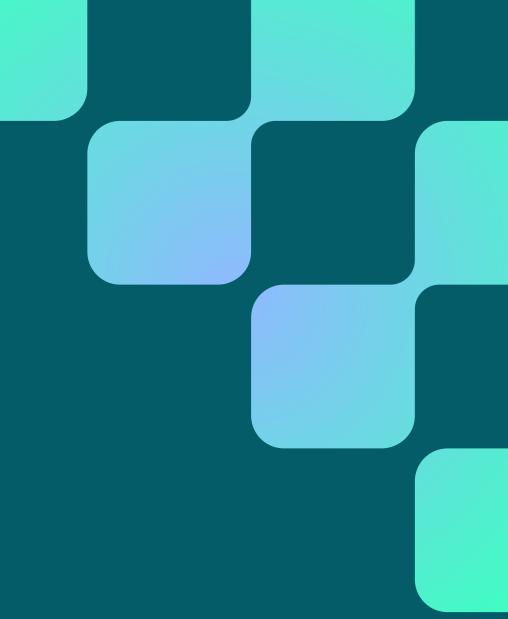

We recommend adding the session to your calendar, so you do not forget.

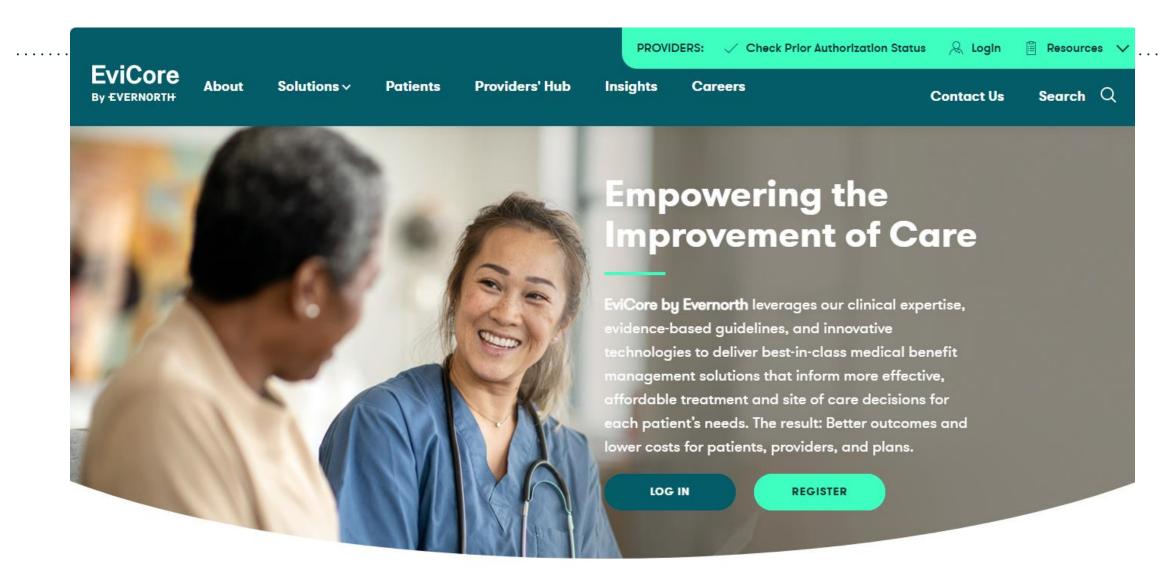

Submitting Requests for Sleep Services

EviCore.com Access

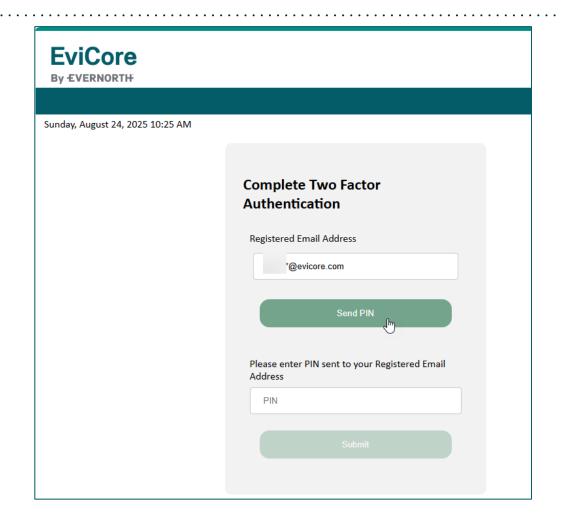

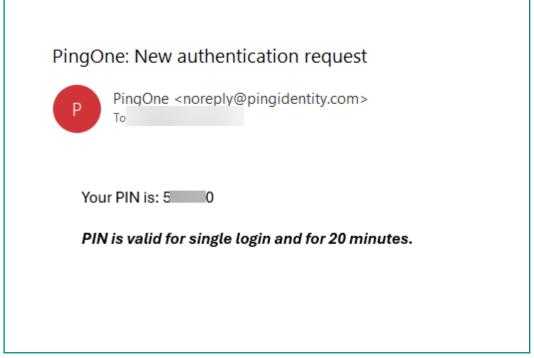

Creating an EviCore Provider Portal Account

EviCore.com Access | Two Factor Authentication

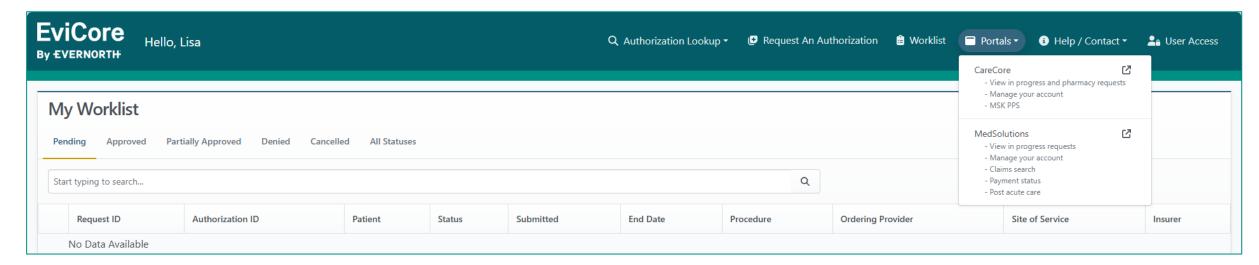

- Create the two-factor authentication using the email used for registration.
- Authentication is good for 24 hours.

EviCore.com Access

New to EviCore.com is our Unified Provider Experience (UPX)

Dashboard. For specific Training and Information on the new dashboard,
follow these links:

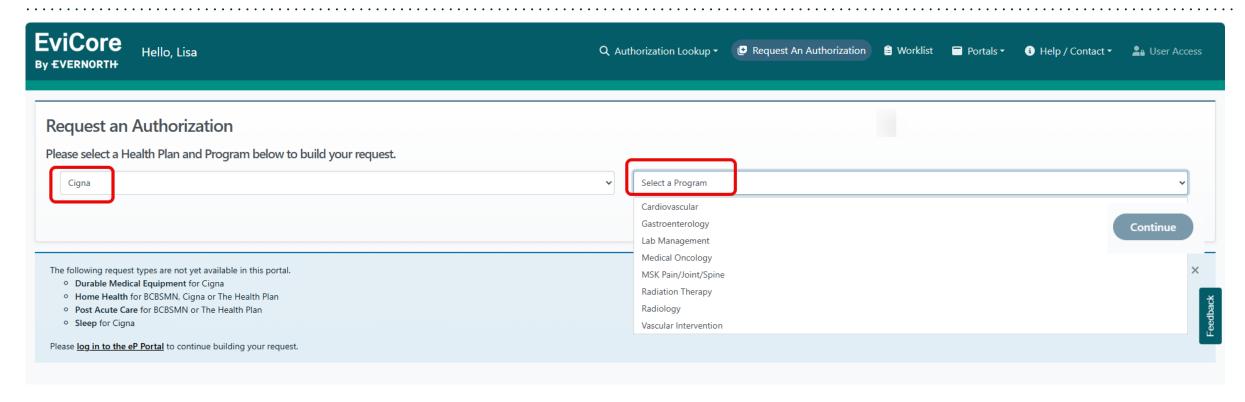

- Unified Provider Experience Dashboard FAQ 8-21-25.pdf
- Training video accessed through our provider's hub (same as the log in page). Provider's Hub | EviCore by Evernorth Scroll down to Video Resources and left double click to watch in 'full view'

EviCore.com | Starting a Request

Start the case build directly from the UPX dashboard. Once you select the health plan and the program, the dashboard will take you to the appropriate legacy portal (CareCore National).

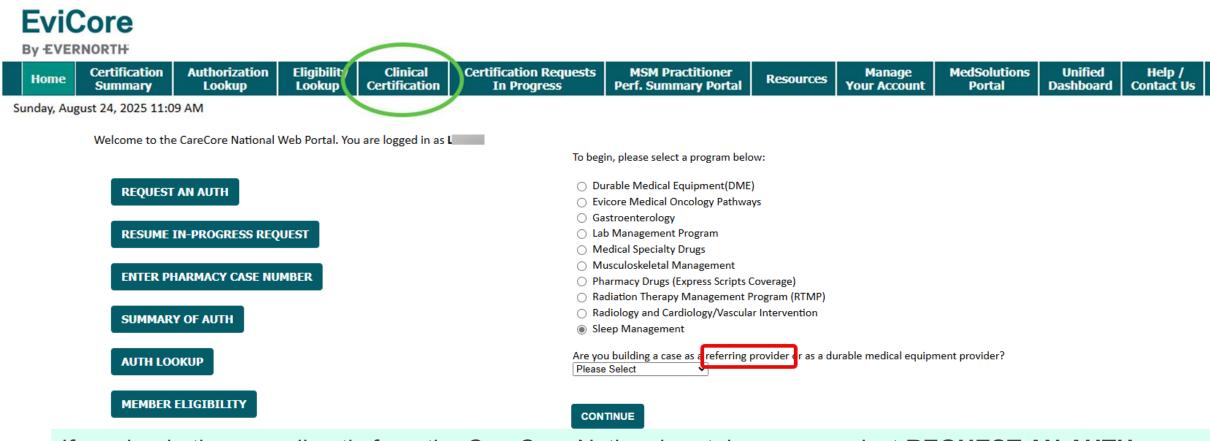

CareCore National Portal Overview

Clinical Certification Request

If you begin the case directly from the CareCore National portal, you can select **REQUEST AN AUTH** or **Clinical Certification** on the banner. Then select the Program. For sleep services, you will choose the referring provider's/physician's office because DME does not require an authorization for Cigna members.

Proceed to Clinical Information

You are about to enter the clinical information collection phase of the authorization process.

Once you have clicked "Continue," you will not be able to edit the Provider, Patient, or Service information entered in the previous steps. Please be sure that all his data has been entered correctly before continuing.

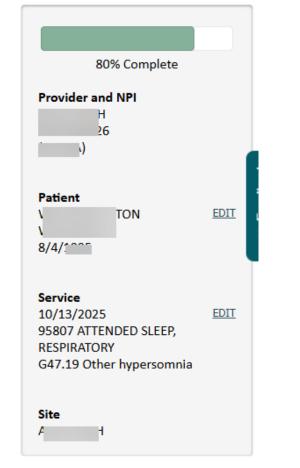

In order to ensure prompt attention to your on-line request, be sure to click SUBMIT CASE before exiting the system. This final step in the on-line process is required even if you will be submitting additional information at a later time. Failure to formally submit your request by clicking the SUBMIT CASE button will cause the case record to expire with no additional correspondence from eviCore.

Clinical Certification Request | Request for Clinical Upload

EviCore requires documents to have patient's name (first and last) and one additional identifier from the list below:

- Date of birth
- Correct case number/Episode ID
- Customer identification number
- Full address (Street, City, State and Zip Code)
- Full phone number including area code
- Driver's license number or other government-issued ID.

If additional information is required, you will have the option to upload more clinical information for review.

Tips:

- Providing clinical information via the web is the fastest and most efficient method
- Enter additional notes in the space provided only when necessary
- Additional information uploaded to the case will be sent for clinical review
- Print out a summary of the request that includes the case number and indicates 'Your case has been sent to clinical review'
