Submitting Requests

How to Request Prior Authorization

The EviCore Provider Portal is the easiest, most efficient way to request clinical reviews and check statuses.

- **Save time:** Quicker process than requests by phone or fax.
- **Available 24/7.**
- **Save your progress:** If you need to step away, you can save your progress and resume later.
- **Upload additional clinical information:** No need to fax supporting clinical documentation; it can be uploaded on the portal.
- **View and print determination information:** Check case status in real time.
- **Dashboard:** View all recently submitted cases.
- **E-notification:** Opt to receive email notifications when there is a change to case status.
- **Duplication feature:** If you are submitting more than one request, you can duplicate information to expedite submissions.

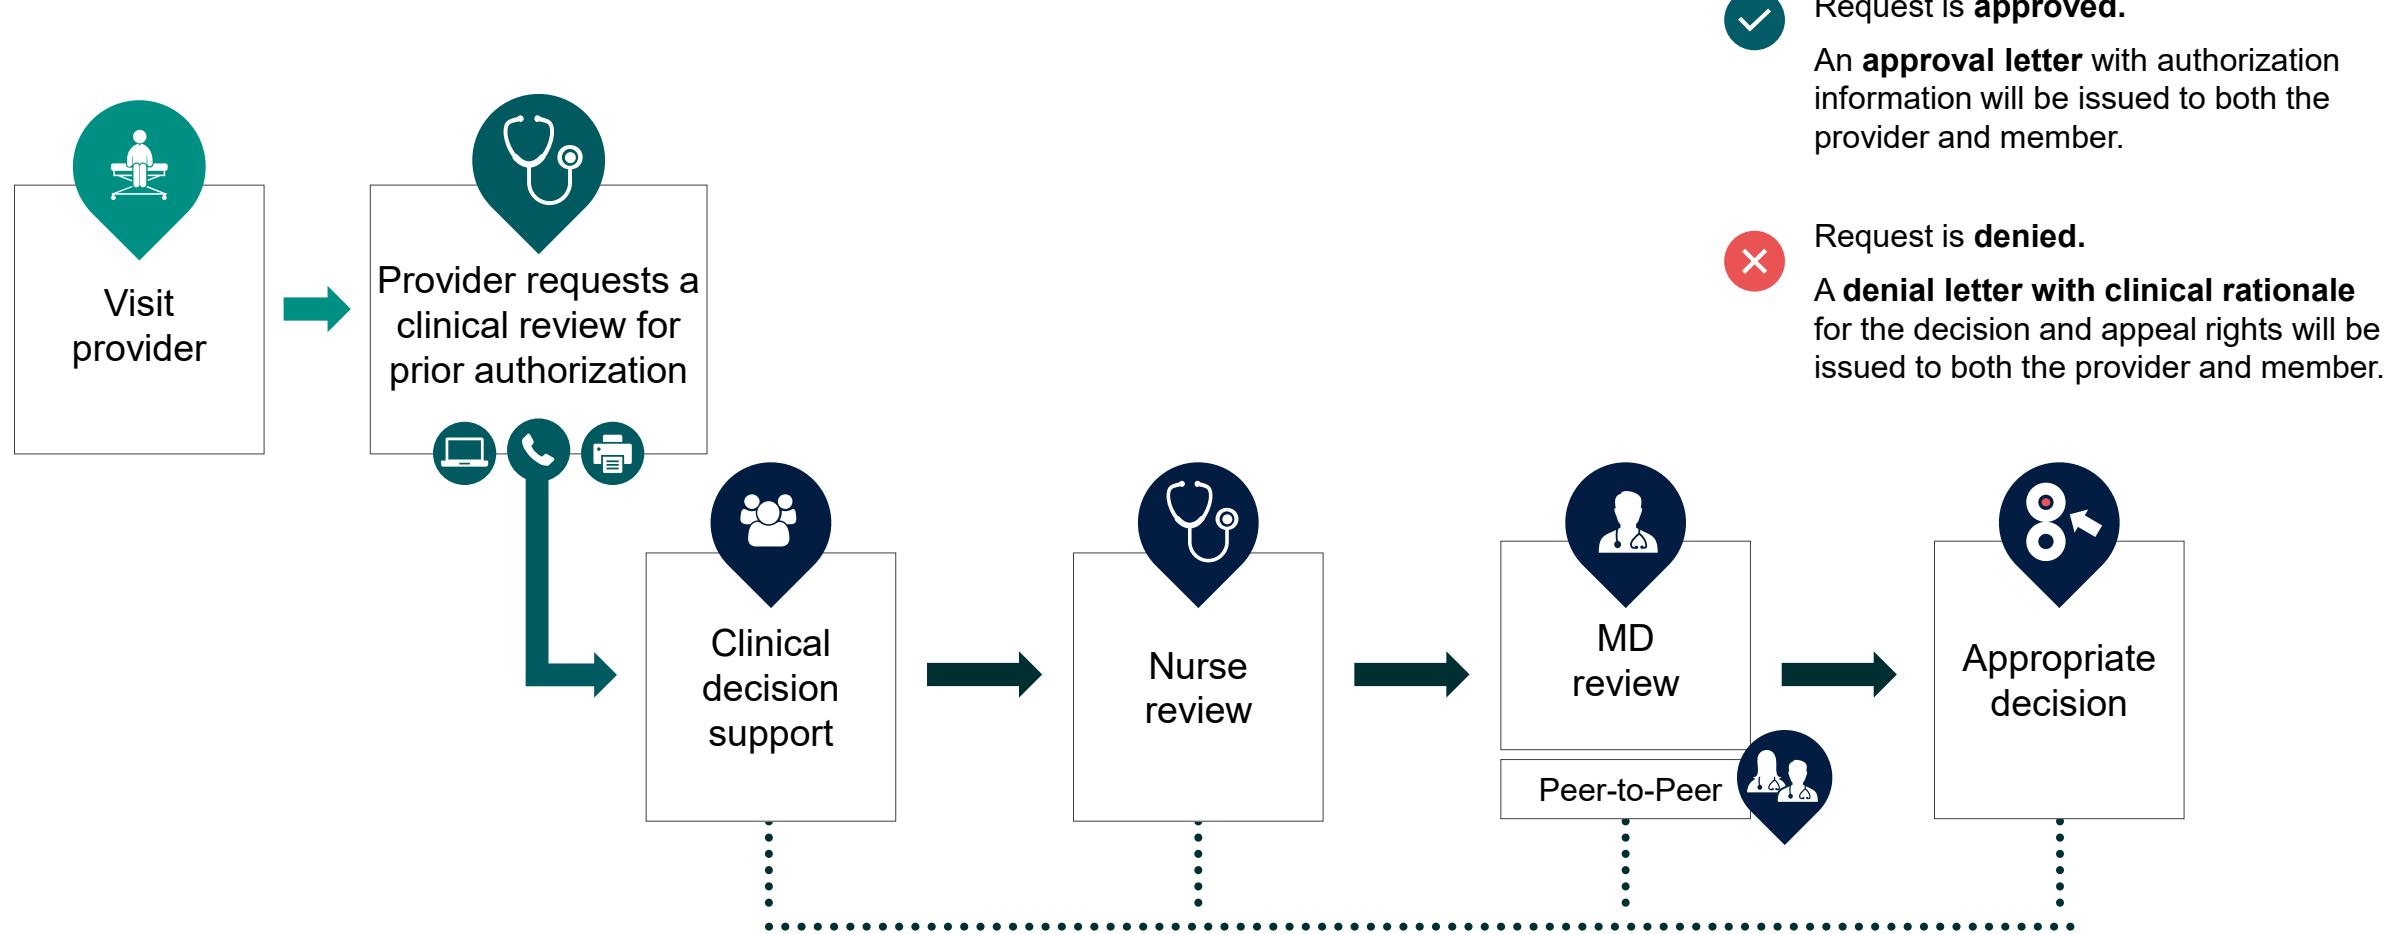

To access the EviCore Provider Portal, visit EviCore.com/provider

Utilization Management | Prior Authorization

Necessary Information for Prior Authorization

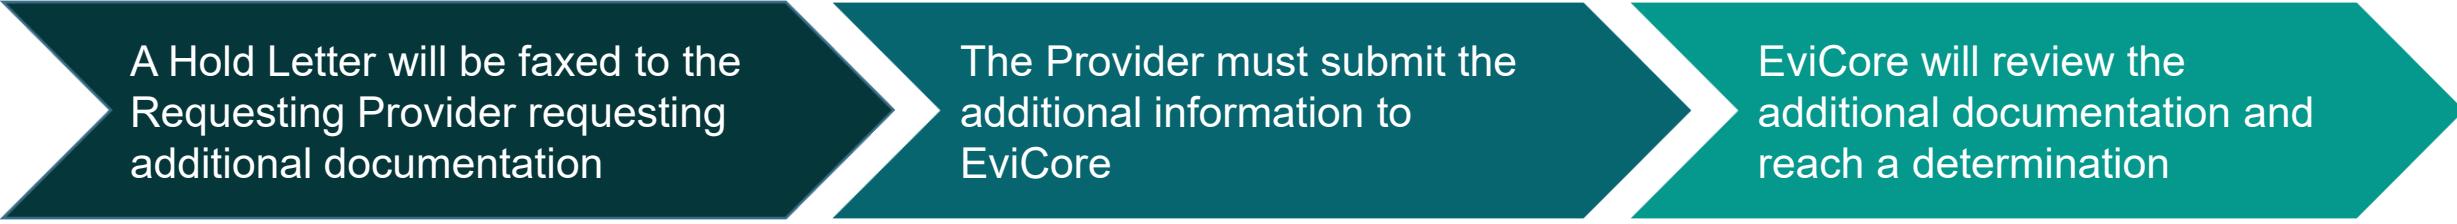

To obtain prior authorization on the very first submission, the provider submitting the request will need to gather information within four categories:

Insufficient Clinical | Additional Documentation Needed

Additional Documentation to Support Medical Necessity

If during case build all required pieces of documentation are not received, or are insufficient for EviCore to reach a determination, the following will occur:

A Hold Letter will be faxed to the Requesting Provider requesting additional documentation

The Provider must submit the additional information to EviCore

EviCore will review the additional documentation and reach a determination

The hold notification will inform the provider about what clinical information is needed as well as the **date by which it is needed**.

Requested information must be received within the timeframe as specified in the hold letter or EviCore will render a determination based on the original submission.

Determination notifications will be sent.

Prior Authorization Outcomes, Special Considerations & Post-Decision Options

Prior Authorization Outcomes

Determination Outcomes:

- **Approved Requests:** Authorizations are valid for:
 - Medicare - **180 calendar days** from the date of approval.
 - Medicaid - **60 calendar days** from the date of approval.
- **Partially Approved Requests:** In instances where multiple CPT codes are requested, some may be approved and some denied. In these instances, the determination letter will specify what has been approved as well as post decision options for denied codes, including denied Site of Care (if applicable).
- **Denied Requests:** Based on evidence-based guidelines, if a request is determined as inappropriate, then a notification with the rationale for the decision and post decision/ appeal rights will be issued.

Notifications:

- Authorization letters will be faxed to the ordering provider.
- Web initiated cases will receive e-notifications when a user opts to receive.
- Members will receive a letter by mail.
- Approval information can be printed on demand from the EviCore portal: www.EviCore.com

Special Circumstances

Alternative Recommendations

- An alternative recommendation may be offered, based on EviCore's evidence-based clinical guidelines.
- The ordering provider can either accept the alternative recommendation or request a reconsideration for the original request.

Authorization Update

- If updates are needed on an existing authorization, you can contact EviCore by phone at **866-668-8295**.
- While EviCore needs to know if changes are made to the approved request, any change could result in the need for a separate clinical review and require a new request (and the original approved request would need to be withdrawn).
- If the authorization is not updated, it may result in a claim denial.

Post-Decision Options |

Medicaid Members

My case has been denied. What's next?

- Your determination letter is the best immediate source of information to assess what options exist on a case that has been denied.
- You may also call EviCore at **866-668-8295** to speak with an agent who can provide available option(s) and instruction on how to proceed.
- Alternatively, select “All Post Decisions” under the authorization lookup function on EviCore.com to see available options.

Reconsiderations

- Reconsiderations must be requested within **five (5) business days** of the determination date.
- Reconsiderations can be requested in writing or verbally via a Clinical Consultation with an EviCore physician.

Appeals

- EviCore will not process first-level appeals.
- Please refer to the denial letter for instructions.
- A written notice of the appeal decision will be mailed to the member and faxed to the ordering provider.

Post-Decision Options |

Medicare Members

My case has been denied. What's next?

Clinical Consultation

- Providers can request a Clinical Consultation with an EviCore physician to better understand the reason for denial.
- Once a denial decision has been made, however, the decision cannot be overturned via Clinical Consultation.

Reconsideration

- Medicare cases do not include a reconsideration option.

Appeals

- EviCore will not process first-level appeals for Medicare members.

Special Circumstances

Retrospective (Retro) Authorization Requests

- Must be submitted within **90 calendar days** from the date of services.
- Retro requests submitted beyond this timeframe will be administratively denied.
- Reviewed for clinical urgency and medical necessity.
- Retro requests are processed within:
 - Medicare Members - 30 calendar days
 - Medicaid Members - 14 calendar days
- When authorized, the start date will be the submitted date of service.

Urgent Prior Authorization Requests

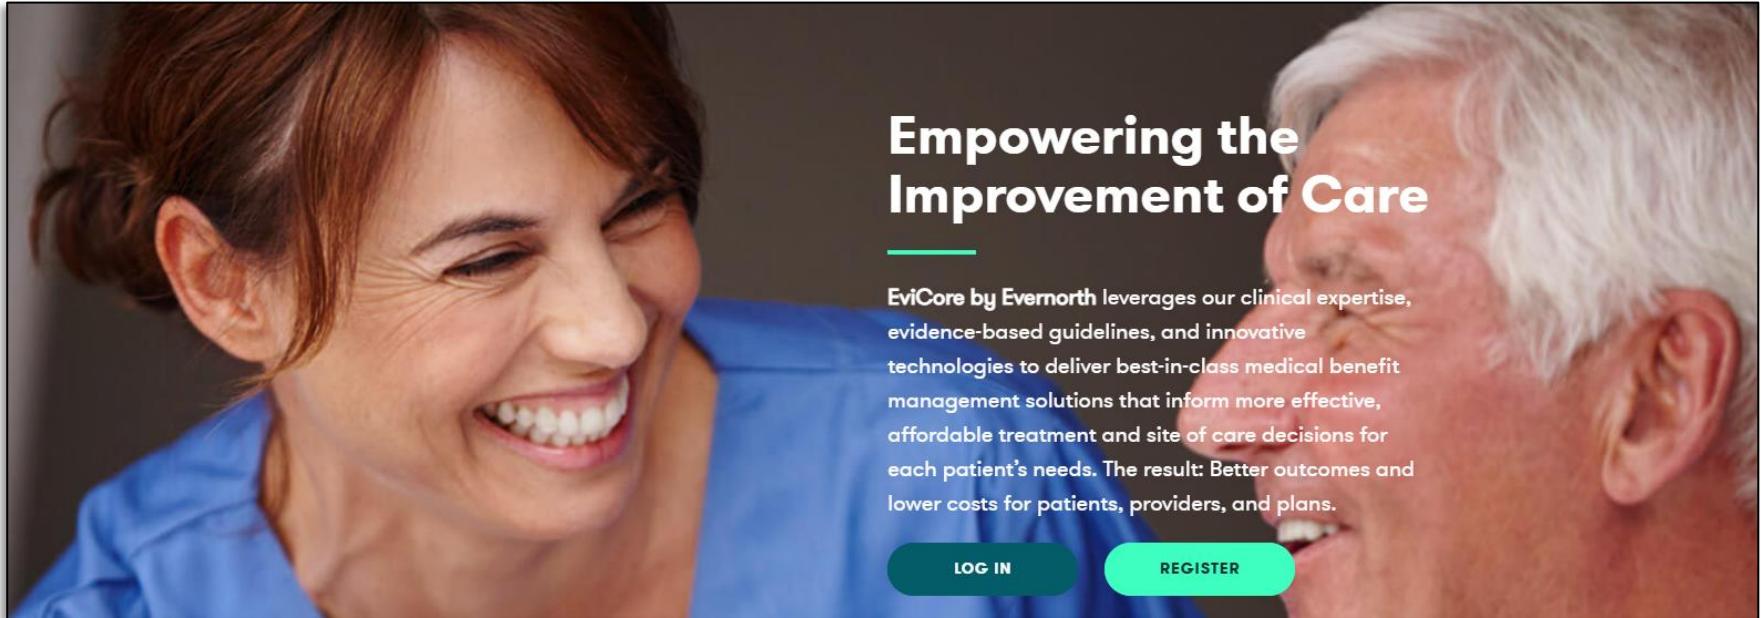

- EviCore uses the NCQA/URAC definition of **urgent**: when a delay in decision-making may seriously jeopardize the life or health of the member.
- Can be initiated on provider portal or by phone.
- Urgent cases are typically reviewed within 24 to 72 hours.

Provider Portal Overview

EviCore Provider Portal | Access and Compatibility

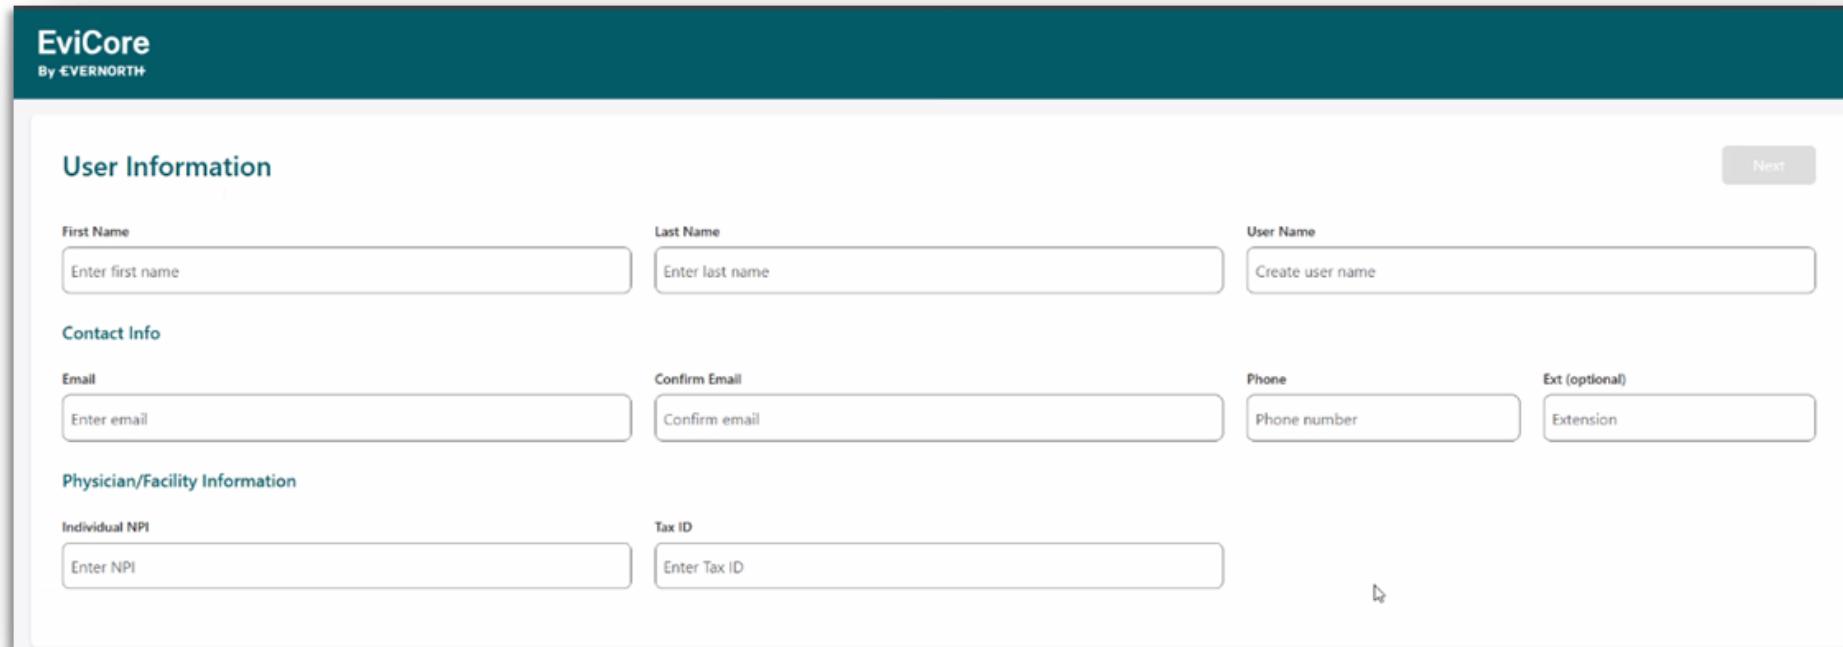

Most providers are already saving time submitting clinical review requests online vs. telephone.

- To access resources on the EviCore Provider Portal, visit EviCore.com
- Already a user? [Log in](#) with User ID & Password.
- Don't have an account? Click [Register Now](#).

EviCore's website is compatible with **all web browsers**. If you experience issues, you may need to **disable pop-up blockers** to access the site.

Creating an EviCore Provider Portal Account

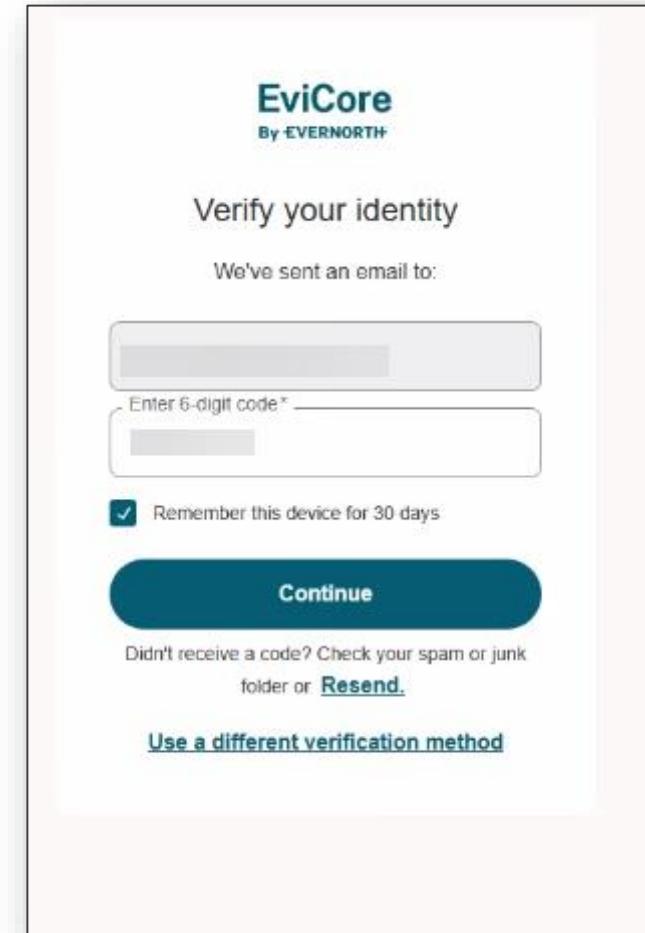

The screenshot shows the 'User Information' step of a registration form. The form is divided into three main sections: 'User Information', 'Contact Info', and 'Physician/Facility Information'. The 'User Information' section contains fields for First Name, Last Name, and User Name. The 'Contact Info' section contains fields for Email, Confirm Email, Phone, and Extension. The 'Physician/Facility Information' section contains fields for Individual NPI and Tax ID. A 'Next' button is located in the top right corner of the form area.

- Complete the User Information section in full and **Submit Registration**.
- You will immediately be sent an email with a link to verify your account and create a password. Once you have created a password, you will be redirected to the login page.

Setting Up Multi-Factor Authentication (MFA)

To safeguard your patients' private health information (PHI), we have implemented a multi-factor authentication (MFA) process.

- After you log in, you will be prompted to register your device for MFA.
- Choose which authentication method you prefer: Email or SMS. Then, **enter your email address or mobile phone number**.
- Once you select **Send PIN**, a 6-digit pin will be generated and sent to your chosen device.
- After entering the provided PIN in the portal display, you will successfully be authenticated and logged in.

Provider Shared Worklist

To allow others to view your worklist while you are out of the office, you can add them by selecting **User Access** and add their user ID and email address. They must have an EviCore account to be added.

A screenshot of the EviCore 'User Access' interface. The top navigation bar shows 'Hello, Suma' and the 'User Access' link. A modal window is open, stating 'David Gates will have access to your worklist'. The main content area says 'Give access to your worklist' and 'Use this form to give users access to your worklist'. It features two input fields: 'User ID' and 'Email', and a 'Allow access' button. Below this is another modal window showing '35 people have access to your worklist' with a 'View List' button. The EviCore logo and 'By EVERNORTH' are visible at the bottom left, and the footer includes the date 'January 28, 2026' and page number '21'.

ALL POST DECISION OPTIONS 

Post-decision options for this case have been exhausted or are not delegated to eviCore. You may continue to schedule a Peer to Peer discussion for this case but it will be considered consultative only and the original decision cannot be modified.

*In some instances, a Peer-to-Peer consultation is allowed, but the case decision can not be changed. In such cases, you can still request a **Consultative-Only Peer-to-Peer**. You can also click on the **ALL POST-DECISION OPTIONS** button to learn what other action can be taken.

Once the **Request Peer-to-Peer Consultation** link is selected, you will be transferred to our scheduling software via a new browser window.

Schedule a P2P

Schedule a P2P

1. Update the following fields to ensure the correct person is contacted for the Peer-to-Peer appointment:
 - + Name of Provider Requesting P2P
 - + Phone Number for P2P
 - + Contact Instructions
2. Click **Submit** to schedule the appointment.
3. You will be presented with a summary page containing the details of your scheduled appointment.
4. Confirm contact details.

The screenshot illustrates the appointment scheduling process. It shows three main steps: Case Info, P2P Info, and Confirmation. The Case Info and P2P Info steps are completed, indicated by green checkmarks. The Confirmation step is in progress, indicated by a yellow circle. Arrows point to the 'Name of Provider Requesting P2P' (Dr. Jane Doe), 'Phone Number for P2P' ((555) 555-5555), and 'Contact Instructions' (Select option 4, ask for Dr. Doe) fields in the P2P Info section, which are highlighted in blue. The 'SCHEDULED' status is circled in red on the summary page.

P2P Contact Details

1. Use the radio button option to select who will perform the P2P with the EviCore Medical Director.
2. Open fields will manually open to input the provider's first, last name, and their credential.

The screenshot shows a web-based form titled "P2P Contact Details". At the top, there is a section for "Appointment Details" with a date of "Fri 5/24/2024", a time of "7:00 am PDT", and a name "Tamara Fackler". Below this, a question asks "Who will be performing the P2P consultation?" with three radio button options: "Requesting Provider", "Contact Person", and "Someone else". The "Requesting Provider" option is selected. The form then splits into two main sections: "PROVIDER" and "CONTACT PERSON". The "PROVIDER" section requires input for "Name of Referring Physician on Case" (with fields for "First Name" and "Last Name") and "Credential". The "CONTACT PERSON" section requires input for "Contact First Name" and "Contact Last Name". Both sections have dropdown menus for "Contact Person Location".
