When will I receive the pre-certification number once it has been approved?

The timeframe to process a standard request will vary by the service type requested, plan and/or state mandates.

Pre-certification status will be communicated by Cigna Healthcare to the ordering physician & rendering provider. Customers will receive a pre-certification letter by mail. Pre-certification status can also be viewed on demand on the EviCore Portal at www.evicore.com.

In the event of an adverse determination, what post-denial processes are available?

A reconsideration may be requested any time before an appeal is received. Reconsiderations may be requested by phone by calling the number indicated on the customer's ID card or via a peer-to-peer consultation with a Cigna Healthcare physician.

Appeal requests may be submitted to Cigna Healthcare in writing via US Mail or by fax. Cigna Healthcare will process first-level appeals. Delegation of second level appeals will vary by plan and/or state. The timeframe for submitting an appeal and the address and fax number for appeals will be provided in the determination letter. The appeal determination will be communicated by Cigna Healthcare to the ordering physician and customer.

How will Cigna Healthcare communicate determination letters and who do I contact if I do not receive the letter?

Determination letters will be mailed by Cigna Healthcare to the ordering physician & rendering provider. Customers will receive a letter by mail. In the event that the determination letter has not been received, providers and customers should contact Cigna Healthcare by calling the number indicated on the customer's ID card.

What is the peer-to-peer consultation process?

If a request is not approved and requires further clinical discussion for approval, Cigna Healthcare offers peer-to-peer consultations with referring physicians.

Peer-to-peer consultations may result in either a reversal of decision to deny, or an uphold of the original decision. A peer-to-peer consultation may be requested by calling the number indicated on the customer's ID card or via fax. Your determination letter is the best source of information on how to schedule a peer-to-peer consultation.

When additional clinical information is needed, will Cigna Healthcare make a verbal outreach to the provider in addition to the hold letter?

Cigna Healthcare will attempt to contact the provider via telephone before sending the letter.

Does Cigna Healthcare review cases retrospectively if no pre-certification was obtained?

The timeframe to submit retrospective requests may vary based on the specific plan or state regulation. To inquire about a retrospective request, please call the number on the customer's ID card.

How long is a Home Health pre-certification valid?

Pre-certifications are typically valid for 90-180 days from the date of the final submission/determination. Timeframe will vary by the service type requested, plan and/or state regulations. Pre-certifications performed outside of the authorized timeframe can possibly lead to a denial of claims payment. If the service is not performed within the timeframe provided, please contact Cigna Healthcare.

How do referring providers submit a request for home health services?

Referrals should be made directly to a participating provider.

To find a participating provider, go to [Cigna Healthcare.com](https://www.cigna.com) > Find a Doctor, Dentist or Facility, or call EviCore at 866.668-9250.
