

Medical Oncology Site of Care Provider Training

EviCore by Evernorth® is offering Site of Care (SOC) provider training sessions for those staff members that need to submit Medical Oncology prior authorization requests to EviCore for Network Health’s commercial and ACA members. The Medical Oncology SOC requirement for these members will begin on April 1, 2026. The training sessions will include process details about the SOC selections for Medical Oncology requests.

Registration

All online sessions require advance registration. Each online orientation session is free of charge and will last approximately 30 minutes. All sessions are scheduled in Webex trainings.
