# Submitting Requests

# How to Request Prior Authorization

The EviCore Provider Portal is the easiest, most efficient way to request clinical reviews and check statuses.

- **Save time:** Quicker process than requests by phone or fax.
- **Available 24/7.**
- **Save your progress:** If you need to step away, you can save your progress and resume later.
- **Upload additional clinical information:** No need to fax supporting clinical documentation; it can be uploaded on the portal.
- **View and print determination information:** Check case status in real time.
- **Dashboard:** View all recently submitted cases.
- **E-notification:** Opt to receive email notifications when there is a change to case status.
- **Duplication feature:** If you are submitting more than one request, you can duplicate information to expedite submissions.

To access the EviCore Provider Portal, visit [www.EviCore.com](http://www.EviCore.com)

# Utilization Management | Prior Authorization Process

## Prior Authorization for 400+ CPT Codes

Easy for Providers and Staff

# Non-Clinical Information Needed

The following information must be provided to initiate the prior authorization request:

## Member Information

- First and Last Name
- Date of Birth
- Member's Alphanumeric ID Number (including the alpha prefix and two-digit suffix)
- Phone Number (if applicable)

## Ordering Physician Information

- First and Last Name
- Practice Address
- Individual National Provider ID (NPI) Number
- Tax Identification Number (TIN)
- Phone and Fax Numbers

## Rendering Laboratory Information

- Laboratory Name
- Street Address
- National Provider Identification Number (NPI)
- Tax Identification Number (TIN)
- Phone and Fax Numbers

# Clinical Information Needed

If clinical information is needed, this may include, but is not limited to:

- Details about the test being performed (test name, description and/or unique identifier)
- All information required by applicable policy
- Test indication, including any applicable signs and symptoms or other reasons for testing
- Any applicable test results (laboratory, imaging, pathology, etc.)
- Any applicable family history
- How test results will impact patient care

# Insufficient Clinical | Additional Documentation Needed

If during case build all required pieces of documentation are not received, or are insufficient for EviCore to reach a determination, the following will occur:

A hold letter will be faxed to the requesting provider requesting additional documentation.

The provider must submit the additional information to EviCore.

EviCore will review the additional documentation and reach a determination.

The hold letter will inform the provider about what clinical information is needed as well as the **date by which it is needed**.

Requested information must be received within the timeframe as specified in the hold letter, or EviCore will render a determination based on the original submission.

Determination notifications will be sent.

# Pre-Decision Options | Medicare Members

I've received a request for additional clinical information.

What's next?

Before a denial decision is issued on Medicare cases, EviCore will notify providers telephonically and in writing. From there, additional clinical information must be submitted to EviCore in advance of the due date referenced.

There are three ways to supply the requested information:

1. **Fax** to **844-545-9213**.
2. **Upload** directly into the case via the provider portal at **EviCore.com**.
3. **Request a Pre-Decision Clinical Consultation.**

This consultation can be requested via the EviCore website, and must occur prior to the due date referenced in the notification.

**PLEASE NOTE:** If the additional clinical information is faxed/uploaded, that clinical is what is used for the review and determination. The case is not held further for a Pre-Decision Clinical Consultation, even if the due date has not yet lapsed.

Once the determination is made, notifications will go to the provider and member, and status will be available on **EviCore.com**.

# Clinical Guidelines

## How to access our Guidelines:

1. Go to [www.EviCore.com](http://www.EviCore.com) and select the “Resources” drop down menu on the far right hand side of your browser.
2. Then select the “Clinical Guidelines” button to be directed to the main clinical guidelines page.
3. Scroll down and select the **Laboratory Management** solution.
4. Type in desired health plan in the “Search Health Plan” search bar and press enter.
5. Select the appropriate guideline specific to the requested test(s).
6. Examples:
  - Specific genetic testing
  - Molecular and genomic testing
  - Huntington Disease testing

## Laboratory Management

Instructions for accessing the guidelines:

1. Search by health plan name to view clinical guidelines.
2. Locate the **reason for denial** section found in your letter. Identify the guideline title and then search by the provided guideline title. Select appropriate guideline document.

Example for 4Kscore for Prostate Cancer Risk Assessment: *We based this decision on the guidelines listed below: **4Kscore for Prostate Cancer Risk Assessment (MOL. TS. 120).***

Search Health Plan ...

# Clinical Guidelines

## Health Plan-Specific Guidelines

- Current, future, and archived lists and guidelines are found here.
- You can select the entire code list or the health plan specific policy book.
- Shown here is an example of the **Administrative Guidelines** you will find on our resource site.
- There are also lab guidelines for clinical use and test-specific guidelines on our resource site. (not shown on this screen)

The screenshot displays a web interface for Clinical Guidelines. At the top, there are three filter tabs: 'CURRENT' (which is selected and underlined), 'FUTURE', and 'ARCHIVED'. Below the filters, the text 'Code Lists' and 'Guidelines' is prominently displayed in large, bold, teal font. Underneath, there is a section titled 'ADMINISTRATIVE' with a minus sign icon. This section contains a grid of guideline items, each with a unique identifier and a title:

- MOL.AD.107.A Unique Test Identifiers for Non-Specific Procedure Codes
- MOL.AD.304.A Medical Necessity Review Information Requirements
- MOL.AD.314.A Date of Service and Authorization Period Effective Date
- MOL.AD.364.A Special Circumstances Influencing Coverage Determinations
- MOL.AD.412.X Laboratory Billing and Reimbursement

# Prior Authorization Outcomes, Special Considerations & Post-Decision Options

# Prior Authorization Outcomes

## Determination Outcomes:

- **Approved Requests:** Authorizations are valid for **90 calendar days** from the date of approval.
- **Partially Approved Requests:** In instances where multiple CPT codes are requested, some may be approved and some denied. In these instances, the determination letter will specify what has been approved as well as post decision options for denied codes, including denied Site of Care (if applicable).
- **Denied Requests:** Based on evidence-based guidelines, if a request is determined as inappropriate, a notification with the rationale for the decision and post decision/ appeal rights will be issued.

## Notifications:

- Authorization letters will be faxed to the ordering and rendering providers.
- Web initiated cases will receive e-notifications when a user opts to receive.
- Members will receive a letter by mail.
- Approval information can be printed on demand from the EviCore portal: [www.EviCore.com](http://www.EviCore.com)

# Special Circumstances

## Authorization Update

- If updates are needed on an existing authorization, please contact EviCore by phone at **877-282-2510**.
- While EviCore needs to know if changes are made to the approved request, any change could result in the need for a separate clinical review and require a new request (and the original approved request would need to be withdrawn).
- If the authorization is not updated, it may result in a claim denial.

# Post-Decision Options | Commercial and CHIP Members

## My case has been denied. What's next?

- Your **determination letter** is the best immediate source of information to assess what options exist on a case that has been denied. You may also call EviCore at **877-282-2510** to speak with an agent who can provide available option(s) and instruction on how to proceed.
- Alternatively, select **All Post Decisions** under the **Authorization Lookup** function on **EviCore.com** to see available options.

## Reconsiderations (Peer-to-Peer, P2P)

- Reconsiderations must be requested within:
  - Commercial members - 180 calendar days of denial date
  - CHIP members - 60 calendar days of denial date
- Reconsiderations can be requested in writing or verbally via a Clinical Consultation with an EviCore physician.

## Appeals

- EviCore will process first-level appeals for Commercial and CHIP members.
- Appeal requests must be submitted to EviCore within:
  - Commercial members - 180 calendar days
  - CHIP members - 60 calendar days
- Please refer to the denial letter for specific instructions.

# Post-Decision Options | Medicare Members

## My case has been denied. What's next?

### Clinical Consultation

- Providers can request a Clinical Consultation with an EviCore physician to better understand the reason for denial.
- Once a denial decision has been made, however, the decision cannot be overturned via Clinical Consultation.

### Reconsideration (Peer-to-Peer, P2P)

- Medicare cases **do not** include a reconsideration option.

### Appeals

- EviCore **will not** process first-level appeals for Medicare members.

# Special Circumstances

## Retrospective (Retro) Authorization Requests

- Must be submitted within **30 calendar days** from the date of service (not date of specimen collection).
- Reviewed for clinical urgency and medical necessity.
- Retro requests are processed within **30 calendar days** of the request.
- When authorized, the start date will be the submitted date of service.

## Urgent Prior Authorization Requests

- EviCore uses the NCQA/URAC definition of **urgent**: when a delay in decision-making may seriously jeopardize the life or health of the member.
- Can be initiated on provider portal or by phone.
- Urgent cases are typically reviewed within 24 to 72 hours.

## Provider Resource Pages

EviCore's Provider Experience team maintains provider resource pages that contain material to assist providers and their staff on a daily basis. The provider resource page will include, but is not limited to, the following educational material:

- Provider Training
- CPT code list(s)
- Quick Reference Guide (QRG)

**To access these helpful resources, please visit:**

# EviCore Online Provider Resources Review Forum

The EviCore website contains multiple tools and resources to assist providers and their staff with the prior authorization process.

We invite you to attend an **Intro to EviCore Online Resources** to learn how to navigate EviCore's web site and understand all the non-health plan specific resources available on the Provider's Hub.

Included is a broad overview of registering and using the EviCore portal. This is great for those new to EviCore.com and the prior authorization process.
