

## Cardiac Implantable Device (CID) Utilization Management Program Provider Orientation Session Schedule

Network Health has collaborated with EviCore by Evernorth to provide patients with access to high quality, medically appropriate care that is consistent with evidence-based treatment guidelines. As part of these efforts, Cardiac Implantable Device (CID) services will require prior authorization effective July 1, 2026.

There will be a soft launch of this program starting June 15, 2026, whereby users will be able to make requests to EviCore for dates of service July 1, 2026, and later. To prepare for this change, please familiarize yourself with the CID services that will require prior authorization at [Network Health WI Provider Resources | EviCore by Evernorth](#), and the evidence-based guidelines found here: [Clinical Guidelines | EviCore by Evernorth](#).

Beginning in June 2026, EviCore will be leading online orientation sessions designed to assist you and your staff with the new program. These sessions will include detailed information about the prior authorization process, accessing information from the EviCore website and a question-and-answer period.

### Training / Registration

All online orientation sessions require advance registration. Each online orientation session is free of charge and will last approximately one hour. All sessions are scheduled in Central time.

Day of the Week	Date	Time
Wednesday	June 10, 2026	Noon
Monday	June 15, 2026	11 am
Tuesday	June 23, 2026	2 pm

### How to View Sessions & Register

1. Webinar series registration link: [Network Health CID provider orientation sessions](#).
2. Click on the training session you would like to attend - Select your preferred date and time.
3. Complete the registration form.
4. Look for a confirmation email with session details.

If you are unable to participate in a session, you can obtain a copy of the presentation as well as other important documents at [Network Health WI Provider Resources | EviCore by Evernorth](#). Documents are available in PDF format.

If you have any questions regarding the EviCore web portal, or for assistance with membership, claims, provider network issues, etc., submit the issue to our dedicated teams via EviCore Communication Relationship Management (ECRM):
