

Aetna Better Health of West Virginia  
Prior Authorization Procedure List: Radiology

| Category | CPT® Code    | CPT® Code Description                                                                                                                                                                                                                          |
|----------|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| MR       | <b>70336</b> | Magnetic resonance (eg, proton) imaging, temporomandibular joint(s)                                                                                                                                                                            |
| CT       | <b>70450</b> | Computed tomography, head or brain; without contrast material                                                                                                                                                                                  |
| CT       | <b>70460</b> | Computed tomography, head or brain; with contrast material(s)                                                                                                                                                                                  |
| CT       | <b>70470</b> | Computed tomography, head or brain; without contrast material, followed by contrast material(s) and further sections                                                                                                                           |
| CT       | <b>70471</b> | Computed tomographic angiography (CTA), head and neck, with contrast material(s), including noncontrast images, when performed, and image postprocessing                                                                                       |
| CT       | <b>70472</b> | Computed tomographic (CT) cerebral perfusion analysis with contrast material(s), including image postprocessing performed with concurrent CT or CT angiography of the same anatomy (List separately in addition to code for primary procedure) |
| CT       | <b>70473</b> | Computed tomographic (CT) cerebral perfusion analysis with contrast material(s), including image postprocessing performed without concurrent CT or CT angiography of the same anatomy                                                          |
| CT       | <b>70480</b> | Computed tomography, orbit, sella, or posterior fossa or outer, middle, or inner ear; without contrast material                                                                                                                                |
| CT       | <b>70481</b> | Computed tomography, orbit, sella, or posterior fossa or outer, middle, or inner ear; with contrast material(s)                                                                                                                                |
| CT       | <b>70482</b> | Computed tomography, orbit, sella, or posterior fossa or outer, middle, or inner ear; without contrast material, followed by contrast material(s) and further sections                                                                         |
| CT       | <b>70486</b> | Computed tomography, maxillofacial area; without contrast material                                                                                                                                                                             |
| CT       | <b>70487</b> | Computed tomography, maxillofacial area; with contrast material(s)                                                                                                                                                                             |
| CT       | <b>70488</b> | Computed tomography, maxillofacial area; without contrast material, followed by contrast material(s) and further sections                                                                                                                      |
| CT       | <b>70490</b> | Computed tomography, soft tissue neck; without contrast material                                                                                                                                                                               |
| CT       | <b>70491</b> | Computed tomography, soft tissue neck; with contrast material(s)                                                                                                                                                                               |
| CT       | <b>70492</b> | Computed tomography, soft tissue neck; without contrast material followed by contrast material(s) and further sections                                                                                                                         |
| CT       | <b>70496</b> | Computed tomographic angiography, head, with contrast material(s), including noncontrast images, if performed, and image postprocessing                                                                                                        |
| CT       | <b>70498</b> | Computed tomographic angiography, neck, with contrast material(s), including noncontrast images, if performed, and image postprocessing                                                                                                        |

| Category | CPT® Code    | CPT® Code Description                                                                                                                                                                              |
|----------|--------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| MR       | <b>70540</b> | Magnetic resonance (eg, proton) imaging, orbit, face, and/or neck; without contrast material(s)                                                                                                    |
| MR       | <b>70542</b> | Magnetic resonance (eg, proton) imaging, orbit, face, and/or neck; with contrast material(s)                                                                                                       |
| MR       | <b>70543</b> | Magnetic resonance (eg, proton) imaging, orbit, face, and/or neck; without contrast material(s), followed by contrast material(s) and further sequences                                            |
| MR       | <b>70544</b> | Magnetic resonance angiography, head; without contrast material(s)                                                                                                                                 |
| MR       | <b>70545</b> | Magnetic resonance angiography, head; with contrast material(s)                                                                                                                                    |
| MR       | <b>70546</b> | Magnetic resonance angiography, head; without contrast material(s), followed by contrast material(s) and further sequences                                                                         |
| MR       | <b>70547</b> | Magnetic resonance angiography, neck; without contrast material(s)                                                                                                                                 |
| MR       | <b>70548</b> | Magnetic resonance angiography, neck; with contrast material(s)                                                                                                                                    |
| MR       | <b>70549</b> | Magnetic resonance angiography, neck; without contrast material(s), followed by contrast material(s) and further sequences                                                                         |
| MR       | <b>70551</b> | Magnetic resonance (eg, proton) imaging, brain (including brain stem); without contrast material                                                                                                   |
| MR       | <b>70552</b> | Magnetic resonance (eg, proton) imaging, brain (including brain stem); with contrast material(s)                                                                                                   |
| MR       | <b>70553</b> | Magnetic resonance (eg, proton) imaging, brain (including brain stem); without contrast material, followed by contrast material(s) and further sequences                                           |
| CT       | <b>71250</b> | Computed tomography, thorax; without contrast material                                                                                                                                             |
| CT       | <b>71260</b> | Computed tomography, thorax; with contrast material(s)                                                                                                                                             |
| CT       | <b>71270</b> | Computed tomography, thorax; without contrast material, followed by contrast material(s) and further sections                                                                                      |
| CT       | <b>71275</b> | Computed tomographic angiography, chest (noncoronary), with contrast material(s), including noncontrast images, if performed, and image postprocessing                                             |
| MR       | <b>71550</b> | Magnetic resonance (eg, proton) imaging, chest (eg, for evaluation of hilar and mediastinal lymphadenopathy); without contrast material(s)                                                         |
| MR       | <b>71551</b> | Magnetic resonance (eg, proton) imaging, chest (eg, for evaluation of hilar and mediastinal lymphadenopathy); with contrast material(s)                                                            |
| MR       | <b>71552</b> | Magnetic resonance (eg, proton) imaging, chest (eg, for evaluation of hilar and mediastinal lymphadenopathy); without contrast material(s), followed by contrast material(s) and further sequences |
| MR       | <b>71555</b> | Magnetic resonance angiography, chest (excluding myocardium), with or without contrast material(s)                                                                                                 |
| CT       | <b>72125</b> | Computed tomography, cervical spine; without contrast material                                                                                                                                     |
| CT       | <b>72126</b> | Computed tomography, cervical spine; with contrast material                                                                                                                                        |
| CT       | <b>72127</b> | Computed tomography, cervical spine; without contrast material, followed by contrast material(s) and further sections                                                                              |
| CT       | <b>72128</b> | Computed tomography, thoracic spine; without contrast material                                                                                                                                     |
| CT       | <b>72129</b> | Computed tomography, thoracic spine; with contrast material                                                                                                                                        |
| CT       | <b>72130</b> | Computed tomography, thoracic spine; without contrast material, followed by contrast material(s) and further sections                                                                              |

| Category | CPT® Code    | CPT® Code Description                                                                                                                                            |
|----------|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| CT       | <b>72131</b> | Computed tomography, lumbar spine; without contrast material                                                                                                     |
| CT       | <b>72132</b> | Computed tomography, lumbar spine; with contrast material                                                                                                        |
| CT       | <b>72133</b> | Computed tomography, lumbar spine; without contrast material, followed by contrast material(s) and further sections                                              |
| MR       | <b>72141</b> | Magnetic resonance (eg, proton) imaging, spinal canal and contents, cervical; without contrast material                                                          |
| MR       | <b>72142</b> | Magnetic resonance (eg, proton) imaging, spinal canal and contents, cervical; with contrast material(s)                                                          |
| MR       | <b>72146</b> | Magnetic resonance (eg, proton) imaging, spinal canal and contents, thoracic; without contrast material                                                          |
| MR       | <b>72147</b> | Magnetic resonance (eg, proton) imaging, spinal canal and contents, thoracic; with contrast material(s)                                                          |
| MR       | <b>72148</b> | Magnetic resonance (eg, proton) imaging, spinal canal and contents, lumbar; without contrast material                                                            |
| MR       | <b>72149</b> | Magnetic resonance (eg, proton) imaging, spinal canal and contents, lumbar; with contrast material(s)                                                            |
| MR       | <b>72156</b> | Magnetic resonance (eg, proton) imaging, spinal canal and contents, without contrast material, followed by contrast material(s) and further sequences; cervical  |
| MR       | <b>72157</b> | Magnetic resonance (eg, proton) imaging, spinal canal and contents, without contrast material, followed by contrast material(s) and further sequences; thoracic  |
| MR       | <b>72158</b> | Magnetic resonance (eg, proton) imaging, spinal canal and contents, without contrast material, followed by contrast material(s) and further sequences; lumbar    |
| CT       | <b>72191</b> | Computed tomographic angiography, pelvis, with contrast material(s), including noncontrast images, if performed, and image postprocessing                        |
| CT       | <b>72192</b> | Computed tomography, pelvis; without contrast material                                                                                                           |
