Submitting Requests

Utilization Management | Prior Authorization

How to Request Prior Authorization

The EviCore Provider Portal is the easiest, most efficient way to request clinical reviews and check statuses.

- **Save time:** Quicker process than requests by phone or fax
- **Available 24/7**
- **Save your progress:** If you need to step away, you can save your progress and resume later
- **Upload additional clinical information:** No need to fax in supporting clinical documentation, it can be uploaded on the portal
- **View and print determination information:** Check case status in real-time
- **Dashboard:** View all recently submitted cases
- **E-notification:** Opt-in to receive email notifications when there is a change to case status
- **Duplication feature:** If you are submitting more than one request, you can duplicate information to expedite submittals

To access the EviCore Provider Portal, visit EviCore.com/provider

EviCore

By EVERNORTH

Or by **phone: 800-421-7592**
Monday – Friday 7 AM – 7 PM (local time)

Or by **fax: 800-540-2406**

Necessary Information for Prior Authorization

To obtain prior authorization on the very first submission, the provider submitting the request will need to gather information within four categories:

Customer

- Health Plan ID
- Customer name
- Date of birth (DOB)

Referring (Ordering) Physician

- Physician name
- National provider identifier (NPI)
- Phone & fax number

Rendering Facility

- Facility name
- Address
- National provider identifier (NPI)
- Tax identification number (TIN)
- Phone & fax number

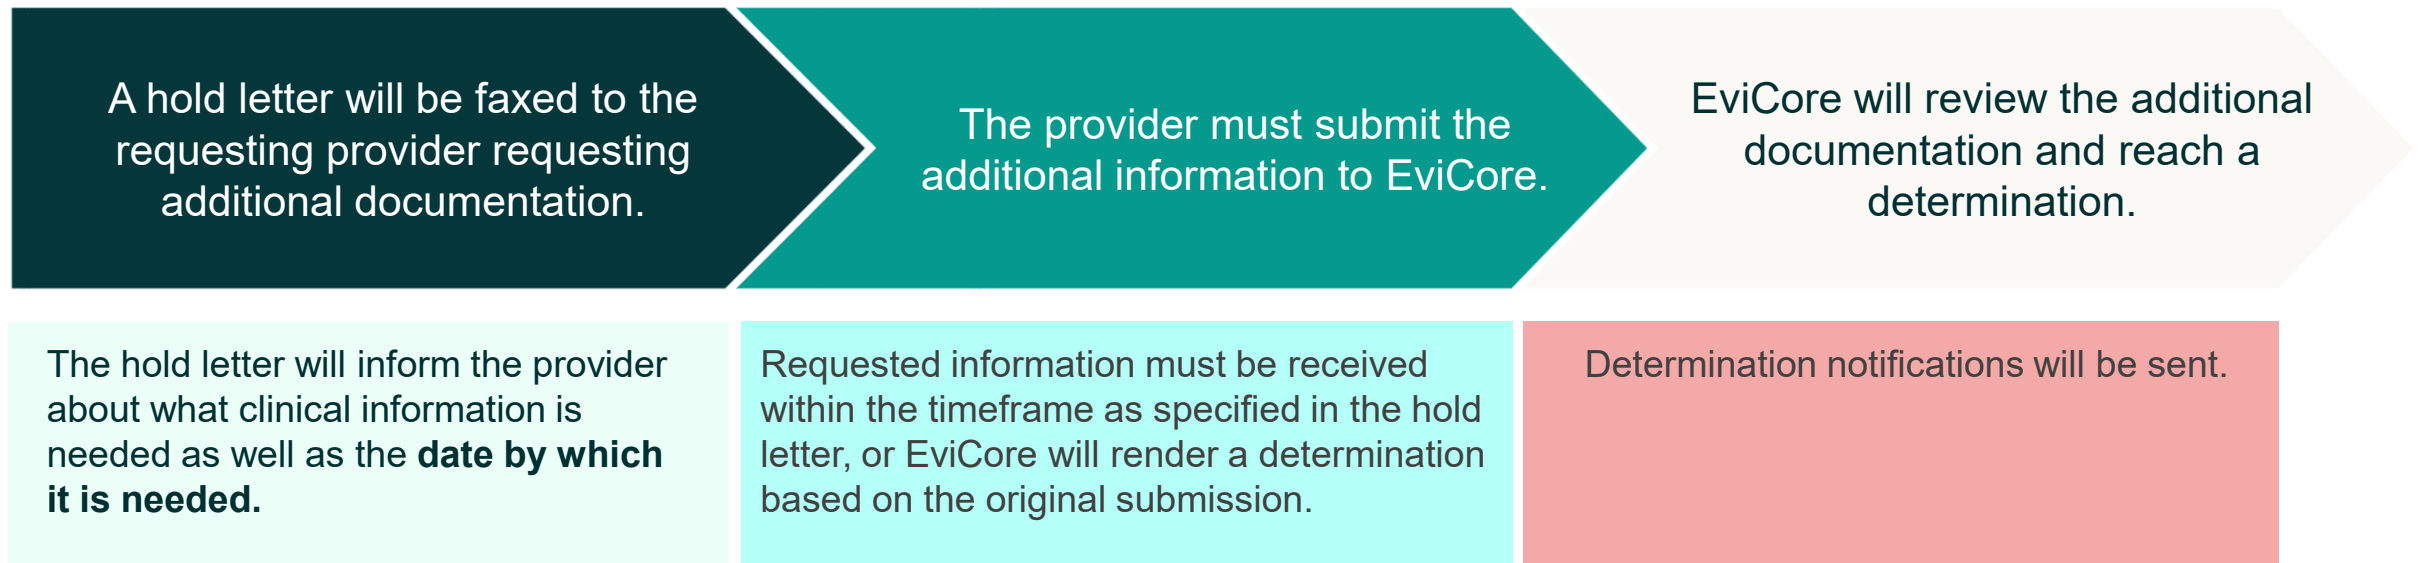

Supporting Clinical

- Pertinent clinical information to substantiate medical necessity for the requested service
- CPT/HCPCS Code(s)
- Diagnosis Code(s)
- Previous test results

Insufficient Clinical | Additional Documentation Needed

If during case build all required pieces of documentation are not received, or are insufficient for EviCore to reach a determination, the following will occur:

Prior Authorization Outcomes, Special Considerations & Post- Decision Options

Prior Authorization Determination Outcomes

Determination Outcomes

- **Turnaround Time:** The current Medicare requirement for all standard requests to be reviewed within 14 business days. (Can be as soon as 2 days)
- **Approved Requests:** Authorizations are valid for 90 calendar days from the requested date of service for outpatient procedures—and from the date of service + goal length of stay for inpatient procedures.
- **Partially Approved Requests:** In instances where multiple CPT codes are requested, some may be approved and some denied. In these instances, the determination letter will specify what has been approved, as well as post-decision options for denied codes, including Level of Care.
- **Denied Requests:** If a request is determined as inappropriate based on evidence-based guidelines, a notification with the rationale for the decision and post-decision/appeal rights will be issued.

Notifications

- Authorization letters will be faxed to the ordering physician and mailed to customers
- Web-initiated cases will receive e-notifications if a user opted in to this method
- Approval information can be printed on demand from the [EviCore portal](#)

EviCore

By EVERNORTH

Special Circumstances - Medicare

Urgent Prior Authorization Requests

- EviCore uses the NCQA/URAC definition of **urgent**: when a delay in decision-making may seriously jeopardize the life or health of the patient
- Can be initiated on the EviCore provider portal or by phone (MA Plans can submit by fax)
- Urgent cases are typically reviewed within 72 hours

Special Circumstances (cont.)

Authorization Update

- If updates are needed on an existing authorization, providers can contact EviCore by phone
- If the authorization is not updated and a different facility location or CPT code is submitted on the claim, it may result in a claim denial

Post-Decision Options

My case has been denied. What's next?

Your determination letter is the best immediate source of information to assess what options exist on a case that has been denied.

You may also call EviCore at **800-421-7592** to speak with an agent who can provide available option(s) and instruction on how to proceed.

Alternatively, select 'All Post Decisions' under the authorization lookup function on [EviCore.com](https://www.evicore.com) to see available options.

Creating an EviCore Provider Portal Account

Select **CareCore National** as the Default Portal.

Complete the User Information section in full and **Submit Registration**.

You will immediately be sent an email with a link to create a password. Once you have created a password, you will be redirected to the login page.

The screenshot shows the EviCore registration interface. At the top is the EviCore logo with 'By EVERNORTH' underneath. Below this is a yellow header for 'Web Portal Preference'. A grey instruction bar states: 'Please select the Portal that is listed in your provider training material. This selection determines the primary portal that you will using to submit cases over the web.' The 'Default Portal*' dropdown menu is open, showing options: '--Select--', '--Select--', 'CareCore National', and 'Medsolutions'. Below this is another yellow header for 'User Information'. A grey instruction bar states: 'All Pre-Authorization notifications will be sent to the fax number and email address provided below. Please make sure you provide valid information.' The form contains several input fields: 'User Name*', 'Email*', 'Confirm Email*', 'First Name*', and 'Last Name*' on the left; 'Address*', 'City*', 'State*' (with a 'Select' dropdown), 'Zip*' (with a 'Select' dropdown), and 'Office Name' on the right. The 'Address*' field is highlighted with a grey border.

Setting Up Multi-Factor Authentication (MFA)

To safeguard your patients' private health information (PHI), we have implemented a multi-factor authentication (MFA) process.

After you log in, you will be prompted to register your device for MFA.

Choose which authentication method you prefer: Email or SMS.
Then, **enter your email address or mobile phone number.**

Select **Send PIN**, and a 6-digit pin will be generated and sent to your chosen device.

After entering the provided PIN in the portal display, you will successfully be authenticated and logged in.

A screenshot of a web form titled "Set up Two Factor Authentication". At the top, there are two radio buttons: "Email" (selected) and "SMS". Below this is a label "Register Email Address" followed by a text input field containing "example@evicore.com". A small blue note below the field states "Only one device (Email or SMS) is currently allowed." Below the field is a green "Send PIN" button. Further down is a label "Please enter PIN sent to your Email Address" followed by a text input field containing "PIN". Below this field is a green "Submit" button. At the bottom left is a small grey "Skip" button.

Urgency Indicator

If the case you are submitting is found NOT to meet one of the two conditions below, your case will be processed as a standards/routine, non Urgent request. If you have clinical information and this request meets the criteria for urgent, please indicate below.

In order for eviCore to process this case as clinically urgent you must upload clinical documentation relevant to this case. If you are unable to upload clinical documentation at this time contact eviCore to process this case as urgent.

Please indicate if any of the following criteria are true regarding urgency of this request :

☐ A delay in care could seriously jeopardize the life or health of the patient or patient's ability to regain maximum function.

☐ A delay in care would subject the member to severe pain that cannot be adequately managed without the care or treatment requested in the prior authorization.

☐ None of the above

Clinical Upload

In order for eviCore to process this case as clinically urgent you must upload clinical documentation relevant to this case.

If you are unable to upload clinical documentation at this time contact eviCore to process this case as urgent.

The screenshot shows a web interface for managing a P2P appointment. At the top left is a blue circular icon with a person silhouette, followed by the text 'Appointment'. To the right is a close button (X). Below this is a section titled 'Appointment Details:' containing a status 'SCHEDULED' with an information icon, a date 'Mon 5/18/20' with a calendar icon, and a time '6:30 pm EDT' with a clock icon. Below this is a section titled 'P2P Contact Info:' containing a list of fields: 'Name of Provider Requesting P2P' (Dr. Jane Doe), 'Contact Person Name' (Office Manager John Doe), 'Contact Person Location' (Provider Office), 'Requesting Provider Email' (droffice@internet.com), 'Phone Number for P2P' ((555) 555-5555 ext. 12345), and 'Contact Instruction' (Request Dr. Doe). To the right of the details is an 'Actions' dropdown menu. A blue arrow points to the 'Actions' dropdown, and another blue arrow points to the 'Cancel Appointment' option in the dropdown menu.
