High Tech Radiology and Advanced Cardiac Imaging

Frequently Asked Questions

Who is EviCore Healthcare?

EviCore healthcare (EviCore) is an independent specialty medical benefits management company that provides utilization management services for Johns Hopkins HealthCare.

Which members will EviCore healthcare manage for the High Tech Radiology and Advanced Cardiac Imaging program?

EviCore will manage prior authorization for Johns Hopkins HealthCare members who are enrolled in the following programs:

- Advantage MD
- Priority Partners

Note: EviCore will not manage prior authorizations for Employer Health Programs and US Family Health Plan.

What is EviCore Healthcare's High Tech Radiology and Advanced Cardiac Imaging program?

EviCore's High Tech Radiology and Advanced Cardiology Program consists of prior authorization medical necessity determinations for outpatient advanced radiological and cardiology services.

Our solution is designed around each client's individual needs. This is accomplished by utilizing our unique clinical expertise with a staff of 300+ medical directors covering 51 different specialties and 800 licensed nurses with advanced training in various specialties. Additionally, we employ industry-leading clinical guidelines, including pediatric-specific imaging guidelines that incorporate all applicable criteria from medical specialty societies.

Which High Tech Radiology and Advanced Cardiac Imaging services require prior authorization for Johns Hopkins HealthCare?

Who needs to request prior authorization through EviCore?

All physicians who request/order high tech radiology and advanced cardiac imaging services are required to obtain a prior authorization for services prior to the service being rendered in an office or outpatient setting.

How do I request a prior authorization through EviCore Healthcare?

Providers and/or staff can request prior authorization in one of the following ways:

Web Portal

HealthLINK, the Johns Hopkins HealthCare portal, is the quickest, most efficient way to request prior authorization and is available 24/7. Providers can request authorization by visiting HealthLINK portal for Priority Partners/Advantage MD patients or www.EviCore.com.

Call Center

EviCore's call center is open from 8 a.m. to 7 p.m. EST. Providers and/or staff can request prior authorization and make revisions to existing cases by calling 866-220-3071.

Fax

Providers and/or staff can fax prior authorization requests by completing the clinical worksheets found on EviCore's website at www.EviCore.com/provider/online-forms.

Do Radiology and Cardiac Imaging services performed in an inpatient setting at a hospital or emergency room setting require prior authorization?

No. Radiology and Cardiology studies performed in an emergency room, while in an observation unit, or during an inpatient stay do not require prior authorization.

How do I check an existing prior authorization request for a member?

Our web portal provides 24/7 access to check the status of existing authorizations. To check the status of your authorization request, please go to HealthLINK and visit

HealthLINK portal for Priority Partners/Advantage MD patients or www.EviCore.com and sign in with your login credentials.

What information is required when requesting prior authorization?

When requesting prior authorization, please ensure the proprietary information is readily available:

Member

- First and Last Name
- Date of Birth
- Member ID

Ordering Provider

- First and Last Name
- National Provider Identification (NPI) Number
- Tax Identification Number (TIN)
- Phone and Fax Number

Rendering (Performing) Provider

- Facility Name
- National Provider Identification (NPI) Number
- Tax Identification Number (TIN)
- Street Address

Clinical(s)

- Requested Procedure Code (CPT Code)

EviCore

By EVERNORTH

- Signs and symptoms
- Imaging/X-ray reports
- Results of relevant test(s)
- Working diagnosis
- Patient history, including previous therapy

Note: EviCore suggests utilizing the clinical worksheets when requesting authorization for High Tech Radiology and Advanced Cardiology Imaging services.

How long is the authorization valid?

Authorizations are valid for 45 calendar days. If the service is not performed within 45 calendar days from the issuance of the authorization, please contact EviCore healthcare.

What is the most effective way to get authorization for urgent requests?

Urgent requests are defined as a condition that is a risk to the patient's health, ability to regain maximum function and/or the patient is experiencing severe pain that requires a medically urgent procedure. Urgent requests may be initiated on our web portal at

HealthLINK portal for Priority Partners/Advantage MD patients or www.EviCore.com or by contacting our contact center at 866-220-3071.

Note: Please select urgent for those cases that truly are urgent and not simply for a "quicker" review. Also note that if a request is selected as urgent but does not meet guidelines to be considered urgent, the case may be reasigned as a routine case.

How do I check the eligibility and benefits of a member?

Member eligibility and benefits should be verified on HealthLINK portal for Priority Partners/Advantage MD patients before requesting prior authorization through EviCore.

Where can I access EviCore healthcare's clinical worksheets and guidelines?

EviCore's clinical worksheets and guidelines are available online 24/7 and can be found by visiting one of the following links:

Clinical Worksheets

www.EviCore.com/provider/online-forms

Clinical Guidelines

www.EviCore.com/provider/clinical-guidelines

After I submit my request when and how will I receive the determination?

After all clinical info is received, for normal (non-urgent) requests a decision is made within 2 business days. For urgent requests, a decision is made within 72 hours (Medicare/Medicaid). The provider will be notified by fax or email.

What are my options if I receive an adverse determination?

The referring and rendering provider will receive a denial letter that contains the reason for denial as well as the reconsideration and appeal rights/payment dispute with request for clinical review process.

EviCore

By EVERNORTH

Does EviCore review cases retrospectively if no authorization was obtained?

Retro requests must be submitted within 180 business days from the date of services. Request are reviewed for clinical urgency and medical necessity.

All retro requests are processed within 30 calendar days. When authorized, the start date will be the submitted date of service.

How do I make a revision to an authorization that has been performed? How do I make a revision to authorization that has not been performed?

The requesting provider or member should contact EviCore with any change to the authorization, whether the procedure has already been performed or not. It is very important to update EviCore healthcare of any changes to the authorization in order for claims to be correctly processed for the facility that receives the member.

What information about the prior authorization will be visible on the Johns Hopkins HealthCare website, HealthLINK?

The authorization status function on the website will provide the following information:

- Prior Authorization Number/Case Number
- Status of Request
- Site Name and Location
- Prior Authorization Date
- Expiration Date

How do I determine if a provider is in network?

Participation status can be verified at [HealthLINK portal for Priority Partners/Advantage MD patients](#). Providers may also contact EviCore healthcare at 866-220-3071. EviCore receives a provider file from Johns Hopkins HealthCare with all independently contracted participating and non- participating providers.

Where do I submit my claims?

All claims will continue to be filed directly to Johns Hopkins HealthCare.

Where do I submit questions or concerns regarding this program?

For assistance with membership, claims, provider network issues, etc., submit the issue to our dedicated teams via EviCore Communication Relationship Management (ECRM):

- Access: [ECRM Services](#)
- ECRM educational resources: [ECRM Resources | EviCore by Evernorth](#)
- Trouble using ECRM? Send an email to: [ECRMSupport@EviCore .com](mailto:ECRMSupport@EviCore.com)

Who do I contact for online support/questions?

Web portal inquiries can be reached via [ECRM Services](#), live chat or call 800-646-0418 (Option 2).

What are the benefits of using Johns Hopkins HealthCare's Web Portal. HealthLINK?

Our web portal provides 24/7 access to submit or check on the status of your request. The portal also offers additional benefits for your convenience:

- **Speed** – Requests submitted online require half the time (or less) than those taken telephonically. They can often be processed immediately.
- **Efficiency** – Medical documentation can be attached to the case upon initial submission, reducing follow-up calls and consultation.
- **Real-Time Access** –Providers are able to see real-time status of a request.
- **Member History** –Providers are able to see both existing and previous requests for a member
