Solution Overview

ARBCBS Prior Authorization Services

EviCore will begin accepting prior authorization requests for Radiology services on 12/23/20 for dates of service 1/1/2021 and after.

Applicable Membership

- + Arkansas Blue Medicare
- + Health Advantage

Prior authorization applies to the following services

- + CT, CTA
- + MRI, MRA
- + PET, PET/CT
- + Nuclear Medicine

Prior authorization does NOT apply to services performed in:

- + Emergency Rooms
- + Observation Services
- + Inpatient Stays

Providers should verify member eligibility and benefits on the secured provider log-in section at: www.arkansasbluecross.com/

Submitting Requests

How to Request Prior Authorization

The EviCore Provider Portal is the easiest, most efficient way to request clinical reviews and check statuses.

- + **Save time:** Quicker process than requests by phone or fax
- + **Available 24/7**
- + **Eligibility Lookup:** Confirm if patient requires clinical review
- + **Prior Authorization Status:** Get real-time status on cases
- + **Save your progress:** If you need to step away, you can save your progress and resume later
- + **Upload additional clinical information:** No need to fax in supporting clinical documentation, it can be uploaded on the portal
- + **View & Print:** Case documents and determination information at your fingertips
- + **Dashboard:** View and track all recently submitted cases
- + **E-notification:** Receive email notifications when there is a change to case status
- + **Duplication feature:** If you are submitting more than one request, you can duplicate information to expedite submissions
- + **Review post-decision options:** Submit appeal, reconsideration and schedule a peer-to-peer consultation

To access the EviCore Provider Portal, visit [EviCore.com/provider](https://www.evicore.com/provider)

Or by phone: **866-220-4699**

Monday – Friday
7 AM – 7 PM (CST)

Or by fax: **800-540-2406**

Pre-Service Prior Authorization Workflow

Request is Approved

An **approval letter** with authorization information will be issued to both the provider and member.

Request is Denied

A **denial letter with clinical rationale** for the decision and appeal rights will be issued to both the provider and member.

EviCore

By EVERNORTH

Necessary Information for Prior Authorization

To obtain prior authorization on the very first submission, the provider submitting the request will need to gather information within four categories:

Member

- ✓ Health Plan ID
- ✓ Member name
- ✓ Date of birth (DOB)

Referring (Ordering) Physician

- ✓ Physician name
- ✓ National provider identifier (NPI)
- ✓ Phone & fax number

Supporting Clinical

- ✓ Pertinent clinical information to substantiate medical necessity for the requested service
 - ✓ HCPCS Code(s)
 - ✓ Diagnosis Code(s)
- ✓ Current Physician's order/script
- ✓ Current detailed invoice listing all requested equipment

Rendering Facility

- ✓ Facility name
- ✓ Address
- ✓ National provider identifier (NPI)
- ✓ Phone & fax number

Additional Documentation Needed

If during case build all required pieces of documentation are not received, or are insufficient for EviCore to reach a determination, the following will occur:

A hold letter will be faxed to the requesting provider requesting additional documentation.

The provider must submit the additional information to EviCore.

EviCore will review the additional documentation and reach a determination.

The hold letter will inform the provider about what clinical information is needed as well as the **date by which it is needed**.

Requested information must be received within the timeframe as specified in the hold letter, or EviCore will render a determination based on the original submission.

Determination notifications will be sent to the member and available to the provider on the Web portal 24/7.

I've received a request for additional clinical information. What's next?

Before a denial decision is issued, EviCore will notify providers telephonically and in writing. From there, additional clinical information must be submitted to EviCore in advance of the due date referenced.

Important to note: If the additional clinical information is faxed/uploaded, that clinical is what is used for the review and determination. The case is not held further for a Pre-Decision Clinical Consultation, even if the due date has not yet lapsed.

Once the determination is made, notifications will go out to the provider and member, and status will be available on [EviCore.com](https://www.evicore.com)

There are three ways to supply the requested information:

1. Upload directly into the case via the provider portal at [EviCore.com](https://www.evicore.com). **All** Clinical Information pages must include the patient's name and at least one additional identifier.
2. Fax to 866-663-7740
3. Request a Clinical Consultation / Peer-to-peer (P2P). This consultation can be requested via the EviCore website (see slide 48 for instructions) and must occur prior to the due date referenced.

Prior Authorization Outcomes, Special Considerations & Post-Decision Options

Prior Authorization Determination Outcomes

Determination Outcomes

- + **Approved Requests:** Standard requests are processed within 7 calendar days from the receipt of all clinical information; authorizations are valid for 45 calendar days from the date of the final determination
- + **Partially Approved Requests:** In instances where multiple codes are requested, the determination letter will specify what has been approved, as well as post-decision options for any denied codes.
- + **Denied Requests:** If a request is determined as inappropriate based on evidence-based guidelines, a notification with the rationale for the decision and post-decision/appeal rights will be issued.

Notifications

- + Letters will be faxed to the provider.
- + Web-initiated cases will receive e-notifications.
- + Members will receive a letter by mail.
- + Approval information can be printed on demand from the [EviCore portal](#)

Special Circumstances

Urgent Prior Authorization Requests

EviCore uses the NCQA/URAC definition of **urgent**: when a delay in decision-making may seriously jeopardize the life or health of the member

Can be initiated on provider portal or by phone

Urgent cases are typically reviewed within 24 to 72 hours

** Due to the shortened timeframe for an urgent decision, we will not pend the case to request additional information, and the case is reviewed solely with the information initially provided.*

Special Circumstances

Alternative Recommendation

An alternative recommendation may be offered based on evidence-based clinical guidelines

The ordering provider can either accept the alternative recommendation or request a reconsideration for the original request

Providers have 2 business days to contact EviCore to accept the alternative recommendation

Special Circumstances

Authorization Updates

If updates are needed on an existing authorization, providers can contact EviCore by phone at 866-220-4699

If the authorization is not updated and a different HCPCS code is submitted on the claim, it may result in a claim denial

Medicare Members

My case has been denied.
What's next?

- + Providers can request a Clinical Consultation with an EviCore physician to better understand the reason for denial.
- + However, once a denial decision has been made on a Medicare case, the decision is final and cannot be overturned via Clinical Consultation.

Reconsiderations

- + Medicare cases do not include a reconsideration option
-

Appeals

- + EviCore will not process first-level appeals.
- + Appeal requests must be submitted directly to the health plan.
- + A written notice of the appeal decision will be mailed to the member and faxed to the ordering provider.

Registering for an EviCore Provider Portal Account

The screenshot shows the EviCore registration form with the following sections and fields:

- EviCore By EVERNORTH** (Header)
- User Information** (Section Header)
 - First Name: Enter first name
 - Last Name: Enter last name
 - User Name: Create user name
- Contact Info** (Section Header)
 - Email: Enter email
 - Confirm Email: Confirm email
 - Phone: Phone number
 - Ext (optional): Extension
- Physician/Facility Information** (Section Header)
 - Individual NPI: Enter NPI
 - Tax ID: Enter Tax ID
- Next** (Button)

- Complete the User Information section in full and **Submit Registration**.
- You will immediately be sent an email with a link to verify your account and create a password. Once you have created a password, you will be redirected to the login page.

Setting Up Multi-Factor Authentication (MFA)

To safeguard your patients' private health information (PHI), we have implemented a multi-factor authentication (MFA) process.

- After you log in, you will be prompted to register your device for MFA.
- Choose which authentication method you prefer: Email or SMS. Then, **enter your email address or mobile phone number.**
- Once you select **Send PIN**, a 6-digit pin will be generated and sent to your chosen device.
- After entering the provided PIN in the portal display, you will successfully be authenticated and logged in.

A screenshot of the EviCore MFA verification interface. At the top is the EviCore logo with 'By EVERNORTH' underneath. The main heading is 'Verify your identity'. Below it, it says 'We've sent an email to:' followed by a blurred email address field. Then there is a label 'Enter 6-digit code*' above a text input field. A checkbox with a checkmark is labeled 'Remember this device for 30 days'. A large teal 'Continue' button is below. At the bottom, it says 'Didn't receive a code? Check your spam or junk folder or [Resend.](#)' and a link '[Use a different verification method](#)'.
