

## MyAdvocate Radiology Code List

| Category | CPT® Code    | CPT® Code Description                                                                                                                                                  | Utilization Management |
|----------|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------|
| MR       | <b>70336</b> | Magnetic resonance (eg, proton) imaging, temporomandibular joint(s)                                                                                                    | Yes                    |
| CT       | <b>70450</b> | Computed tomography, head or brain; without contrast material                                                                                                          | Yes                    |
| CT       | <b>70460</b> | Computed tomography, head or brain; with contrast material(s)                                                                                                          | Yes                    |
| CT       | <b>70470</b> | Computed tomography, head or brain; without contrast material, followed by contrast material(s) and further sections                                                   | Yes                    |
| CT       | <b>70480</b> | Computed tomography, orbit, sella, or posterior fossa or outer, middle, or inner ear; without contrast material                                                        | Yes                    |
| CT       | <b>70481</b> | Computed tomography, orbit, sella, or posterior fossa or outer, middle, or inner ear; with contrast material(s)                                                        | Yes                    |
| CT       | <b>70482</b> | Computed tomography, orbit, sella, or posterior fossa or outer, middle, or inner ear; without contrast material, followed by contrast material(s) and further sections | Yes                    |
| CT       | <b>70486</b> | Computed tomography, maxillofacial area; without contrast material                                                                                                     | Yes                    |
| CT       | <b>70487</b> | Computed tomography, maxillofacial area; with contrast material(s)                                                                                                     | Yes                    |
| CT       | <b>70488</b> | Computed tomography, maxillofacial area; without contrast material, followed by contrast material(s) and further sections                                              | Yes                    |
| CT       | <b>70490</b> | Computed tomography, soft tissue neck; without contrast material                                                                                                       | Yes                    |
| CT       | <b>70491</b> | Computed tomography, soft tissue neck; with contrast material(s)                                                                                                       | Yes                    |
| CT       | <b>70492</b> | Computed tomography, soft tissue neck; without contrast material followed by contrast material(s) and further sections                                                 | Yes                    |
| CT       | <b>70496</b> | Computed tomographic angiography, head, with contrast material(s), including noncontrast images, if performed, and image postprocessing                                | Yes                    |
| CT       | <b>70498</b> | Computed tomographic angiography, neck, with contrast material(s), including noncontrast images, if performed, and image postprocessing                                | Yes                    |
| MR       | <b>70540</b> | Magnetic resonance (eg, proton) imaging, orbit, face, and/or neck; without contrast material(s)                                                                        | Yes                    |
| MR       | <b>70542</b> | Magnetic resonance (eg, proton) imaging, orbit, face, and/or neck; with contrast material(s)                                                                           | Yes                    |
| MR       | <b>70543</b> | Magnetic resonance (eg, proton) imaging, orbit, face, and/or neck; without contrast material(s), followed by contrast material(s) and further sequences                | Yes                    |
| MR       | <b>70544</b> | Magnetic resonance angiography, head; without contrast material(s)                                                                                                     | Yes                    |
| MR       | <b>70545</b> | Magnetic resonance angiography, head; with contrast material(s)                                                                                                        | Yes                    |
| MR       | <b>70546</b> | Magnetic resonance angiography, head; without contrast material(s), followed by contrast material(s) and further sequences                                             | Yes                    |
| MR       | <b>70547</b> | Magnetic resonance angiography, neck; without contrast material(s)                                                                                                     | Yes                    |

| Category | CPT® Code | CPT® Code Description                                                                                                                                                                                             | Utilization Management |
|----------|-----------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------|
| MR       | 70548     | Magnetic resonance angiography, neck; with contrast material(s)                                                                                                                                                   | Yes                    |
| MR       | 70549     | Magnetic resonance angiography, neck; without contrast material(s), followed by contrast material(s) and further sequences                                                                                        | Yes                    |
| MR       | 70551     | Magnetic resonance (eg, proton) imaging, brain (including brain stem); without contrast material                                                                                                                  | Yes                    |
| MR       | 70552     | Magnetic resonance (eg, proton) imaging, brain (including brain stem); with contrast material(s)                                                                                                                  | Yes                    |
| MR       | 70553     | Magnetic resonance (eg, proton) imaging, brain (including brain stem); without contrast material, followed by contrast material(s) and further sequences                                                          | Yes                    |
| MR       | 70554     | Magnetic resonance imaging, brain, functional MRI; including test selection and administration of repetitive body part movement and/or visual stimulation, not requiring physician or psychologist administration | Yes                    |
| MR       | 70555     | Magnetic resonance imaging, brain, functional MRI; requiring physician or psychologist administration of entire neurofunctional testing                                                                           | Yes                    |
| CT       | 71250     | Computed tomography, thorax, diagnostic; without contrast material                                                                                                                                                | Yes                    |
| CT       | 71260     | Computed tomography, thorax, diagnostic; with contrast material(s)                                                                                                                                                | Yes                    |
| CT       | 71270     | Computed tomography, thorax, diagnostic; without contrast material, followed by contrast material(s) and further sections                                                                                         | Yes                    |
| CT       | 71271     | Computed tomography, thorax, low dose for lung cancer screening, without contrast material(s)                                                                                                                     | Yes                    |
| CT       | 71275     | Computed tomographic angiography, chest (noncoronary), with contrast material(s), including noncontrast images, if performed, and image postprocessing                                                            | Yes                    |
| MR       | 71550     | Magnetic resonance (eg, proton) imaging, chest (eg, for evaluation of hilar and mediastinal lymphadenopathy); without contrast material(s)                                                                        | Yes                    |
| MR       | 71551     | Magnetic resonance (eg, proton) imaging, chest (eg, for evaluation of hilar and mediastinal lymphadenopathy); with contrast material(s)                                                                           | Yes                    |
| MR       | 71552     | Magnetic resonance (eg, proton) imaging, chest (eg, for evaluation of hilar and mediastinal lymphadenopathy); without contrast material(s), followed by contrast material(s) and further sequences                | Yes                    |
| MR       | 71555     | Magnetic resonance angiography, chest (excluding myocardium), with or without contrast material(s)                                                                                                                | Yes                    |
| CT       | 72125     | Computed tomography, cervical spine; without contrast material                                                                                                                                                    | Yes                    |
| CT       | 72126     | Computed tomography, cervical spine; with contrast material                                                                                                                                                       | Yes                    |
| CT       | 72127     | Computed tomography, cervical spine; without contrast material, followed by contrast material(s) and further sections                                                                                             | Yes                    |
| CT       | 72128     | Computed tomography, thoracic spine; without contrast material                                                                                                                                                    | Yes                    |
| CT       | 72129     | Computed tomography, thoracic spine; with contrast material                                                                                                                                                       | Yes                    |
| CT       | 72130     | Computed tomography, thoracic spine; without contrast material, followed by contrast material(s) and further sections                                                                                             | Yes                    |
| CT       | 72131     | Computed tomography, lumbar spine; without contrast material                                                                                                                                                      | Yes                    |
| CT       | 72132     | Computed tomography, lumbar spine; with contrast material                                                                                                                                                         | Yes                    |
| CT       | 72133     | Computed tomography, lumbar spine; without contrast material, followed by contrast material(s) and further sections                                                                                               | Yes                    |
| MR       | 72141     | Magnetic resonance (eg, proton) imaging, spinal canal and contents, cervical; without contrast material                                                                                                           | Yes                    |
| MR       | 72142     | Magnetic resonance (eg, proton) imaging, spinal canal and contents, cervical; with contrast material(s)                                                                                                           | Yes                    |
| MR       | 72146     | Magnetic resonance (eg, proton) imaging, spinal canal and contents, thoracic; without contrast material                                                                                                           | Yes                    |
| MR       | 72147     | Magnetic resonance (eg, proton) imaging, spinal canal and contents, thoracic; with contrast material(s)                                                                                                           | Yes                    |

| MR       | <b>0865T</b> | Quantitative magnetic resonance image (MRI) analysis of the brain with comparison to prior magnetic resonance (MR) study(ies), including lesion identification, characterization, and quantification, with brain volume(s) quantification and/or severity score, when performed, data preparation and transmission, interpretation and report, obtained without diagnostic MRI examination of the brain during the same session                             | Yes                    |
| MR       | <b>0866T</b> | Quantitative magnetic resonance image (MRI) analysis of the brain with comparison to prior magnetic resonance (MR) study(ies), including lesion detection, characterization, and quantification, with brain volume(s) quantification and/or severity score, when performed, data preparation and transmission, interpretation and report, obtained with diagnostic MRI examination of the brain (List separately in addition to code for primary procedure) | Yes                    |
| MR       | <b>C9791</b> | Magnetic resonance imaging with inhaled hyperpolarized xenon-129 contrast agent, chest, including preparation and administration of agent                                                                                                                                                                                                                                                                                                                   | Yes                    |
| CT       | <b>S8092</b> | Electron beam computed tomography (also known as ultrafast ct, cine ct)                                                                                                                                                                                                                                                                                                                                                                                     | Redirects to 75571     |
