

## Summit Health Radiology Code List

| Category | CPT® Code    | CPT® Code Description                                                                                                                                                                                                                          |
|----------|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| MRI      | <b>70336</b> | M R I T M J                                                                                                                                                                                                                                    |
| CT       | <b>70450</b> | C T Head Without Contrast                                                                                                                                                                                                                      |
| CT       | <b>70460</b> | C T Head With Contrast                                                                                                                                                                                                                         |
| CT       | <b>70470</b> | C T Head Without & With Contrast                                                                                                                                                                                                               |
| CTA      | <b>70471</b> | Computed tomographic angiography (CTA), head and neck, with contrast material(s), including noncontrast images, when performed, and image postprocessing                                                                                       |
| 3DI      | <b>70472</b> | Computed tomographic (CT) cerebral perfusion analysis with contrast material(s), including image postprocessing performed with concurrent CT or CT angiography of the same anatomy (List separately in addition to code for primary procedure) |
| 3DI      | <b>70473</b> | Computed tomographic (CT) cerebral perfusion analysis with contrast material(s), including image postprocessing performed without concurrent CT or CT angiography of the same anatomy                                                          |
| CT       | <b>70480</b> | C T Orbit Without Contrast                                                                                                                                                                                                                     |
| CT       | <b>70481</b> | C T Orbit With Contrast                                                                                                                                                                                                                        |
| CT       | <b>70482</b> | C T Orbit Without & With Contrast                                                                                                                                                                                                              |
| CT       | <b>70486</b> | C T Maxillofacial Without Contrast                                                                                                                                                                                                             |
| CT       | <b>70487</b> | C T Maxillofacial With Contrast                                                                                                                                                                                                                |
| CT       | <b>70488</b> | C T Maxillofacial Without & With Contrast                                                                                                                                                                                                      |
| CT       | <b>70490</b> | C T Soft Tissue Neck Without Contrast                                                                                                                                                                                                          |
| CT       | <b>70491</b> | C T Soft Tissue Neck With Contrast                                                                                                                                                                                                             |
| CT       | <b>70492</b> | C T Soft Tissue Neck Without & With Contrast                                                                                                                                                                                                   |
| CT       | <b>70496</b> | C T Angiography Head                                                                                                                                                                                                                           |
| CT       | <b>70498</b> | C T Angiography Neck                                                                                                                                                                                                                           |
| MRI      | <b>70540</b> | M R I Orbit, Face, Neck and/or Without Contrast                                                                                                                                                                                                |
| MRI      | <b>70542</b> | M R I Face, Orbit, Neck With Contrast                                                                                                                                                                                                          |
