

PLATFORM MIGRATION

Cigna Healthcare Interventional Pain, Joint Surgery, & Advanced Imaging

October 2026

Agenda

- **What is Changing: (Platform Migration)**
- **CareCore National Portal Overview**
- **Remember our Provider Resources**

What is Changing: Platform Migration

Platform Migration – Effective October 2026

- + EviCore currently accepts Interventional Pain, Joint Surgery, and Imaging, including diagnostic cardiology, prior authorization requests for Cigna Healthcare members through the MedSolutions portal. Beginning October 31, 2026, these requests will **need to be entered through the CareCore National portal** at [Provider's Hub | EviCore by Evernorth](#).
- + If a provider has an existing login, the same credentials are used for both portals. A new account does not need to be created.
- + **Authorizations requested prior to October 31, 2026, and not decided / completed, can still be worked on the MedSolutions portal through the date the case is decided / completed.**
- + **Any** authorizations requested prior to October 31, 2026, can still be viewed on the MedSolutions portal through January 31, 2027. Starting February 1, 2027, these authorizations will be accessed via the CareCore National portal.

Denial Rationales

Based on Cigna Site of Care High-Tech Radiology Coverage Policy, we cannot approve this request. Your records show that you have a known or suspected problem for which imaging may be needed. The requested site (facility) would have been approved if it was needed for one of the following reasons: Imaging done at the site prior to a planned service (surgery or procedure) is a vital part of the service. It is related to a transplant at an approved transplant site. The requested site is the only one that has the size of machine you need. The study will be done around the time of childbirth. You need to be sedated for the imaging, and there is no freestanding site available. You need to have the study done immediately and there is no freestanding site available. We have told your doctor about this. Please talk to your doctor if you have questions. Your doctor needs to observe you while pregnant. We have told your doctor about this. Please talk to your doctor if you have questions.

The ‘Actions’ feature includes additional information. By clicking the plus sign (+) next to the case opens up important details.

Urgency Indicator

If the case you are submitting is found NOT to meet one of the two conditions below, your case will be processed as a standards/routine, non Urgent request. If you have clinical information and this request meets the criteria for urgent, please indicate below.

In order for eviCore to process this case as clinically urgent you must upload clinical documentation relevant to this case. If you are unable to upload clinical documentation at this time contact eviCore to process this case as urgent.

Please indicate if any of the following criteria are true regarding urgency of this request :

☐ A delay in care could seriously jeopardize the life or health of the patient or patient's ability to regain maximum function.

☐ A delay in care would subject the member to severe pain that cannot be adequately managed without the care or treatment requested in the prior authorization.

☐ None of the above

Clinical Upload

In order for eviCore to process this case as clinically urgent you must upload clinical documentation relevant to this case.

If you are unable to upload clinical documentation at this time contact eviCore to process this case as urgent.

Get More Out of the EviCore Portal—Join a Free Training Session

Whether you're just getting started or have been using the EviCore portal for a while, our **free, live training sessions** can help you work more efficiently and confidently. In just **one hour**, you'll learn tips, tools, and best practices you can use right away.

Sessions are offered on **multiple dates and times**, making it easy to fit training into your schedule.

Training Options & Frequency

- + [Intro to Web Portal Training](#)– Offered **twice per week**
- + [Intro to EviCore Online Resources](#)– Offered **twice per month**
- + [Therapy Provider Training](#) (*for therapy providers*) – Offered **twice per quarter**
- + [Post-Acute Care Portal Training](#) (*for hospitals and post-acute care providers*) – Offered **once per week**

How to View Sessions & Register

1. Click on the training session you would like to attend.
2. Select your preferred date and time by checking the radio button.
3. Complete the registration form.
4. Look for a confirmation email with session details.

Have questions? The training host's contact information will be included in your confirmation email.

We look forward to seeing you at an upcoming training session!
