Prior Authorization Procedure Code List: Sleep Management

Program	Category	CPT® Code	CPT® Code Description	Commercial Prior Authorization Required?	Commercial Case Build Platform	External Notation
Sleep	Experimental / Investigational	41530	Submucosal ablation of the tongue base, radiofrequency, 1 or more sites, per session	Yes	CareCore National	
Sleep	Sleep Management	42975	Drug-induced sleep endoscopy, with dynamic evaluation of velum, pharynx, tongue base, and larynx for evaluation of sleep-disordered breathing, flexible, diagnostic	Yes	CareCore National	
Crossover Code for: **• Primary Program:** Musculoskeletal (MSK) - Spine Surgery **• Companion Program:** Sleep Management *(See External Notation column for more details.)*	Sleep Management	64568	Open implantation of cranial nerve (eg, vagus nerve) neurostimulator electrode array and pulse generator (excluding hypoglossal nerve)	Yes	CareCore National	This is a crossover code that can be requested under two programs: **MSK Spine Surgery** or **Sleep Management**. • If your request is intended to be used in conjunction with **MSK Spine Surgery**, please submit your request under the **MSK Spine program** through the **CareCoreNational platform.** • If your request is intended to be used for **Sleep Managment only**, please submit your request under the **Sleep Management** program through the **CareCoreNational platform**.
Sleep	Sleep Management	64582	Open implantation of hypoglossal nerve neurostimulator array, pulse generator, and distal respiratory sensor electrode or electrode array	Yes	CareCore National	
Sleep	Sleep Testing	95782	Polysomnography; younger than 6 years, sleep staging with 4 or more additional parameters of sleep, attended by a technologist	Yes	CareCore National	
Sleep	Sleep Testing	95783	Polysomnography; younger than 6 years, sleep staging with 4 or more additional parameters of sleep, with initiation of continuous positive airway pressure therapy or bi-level ventilation, attended by a technologist	Yes	CareCore National	
Sleep	Sleep Testing	95805	Multiple sleep latency or maintenance of wakefulness testing, recording, analysis and interpretation of physiological measurements of sleep during multiple trials to assess sleepiness	Yes	CareCore National	
Sleep	Sleep Testing	95807	Sleep study, simultaneous recording of ventilation, respiratory effort, ECG or heart rate, and oxygen saturation, attended by a technologist	Yes	CareCore National	
Sleep	Sleep Testing	95808	Polysomnography; any age, sleep staging with 1-3 additional parameters of sleep, attended by a technologist	Yes	CareCore National	
Sleep	Sleep Testing	95810	Polysomnography; age 6 years or older, sleep staging with 4 or more additional parameters of sleep, attended by a technologist	Yes	CareCore National	
Sleep	Sleep Testing	95811	Polysomnography; age 6 years or older, sleep staging with 4 or more additional parameters of sleep, with initiation of continuous positive airway pressure therapy or bilevel ventilation, attended by a technologist	Yes	CareCore National	
Crossover Code for: **• Primary Program:** Musculoskeletal (MSK) - Pain Management **• Companion Program:** Sleep Management *(See External Notation column for more details.)*	Sleep Management	C1767	Generator, neurostimulator (implantable), non-rechargeable	Yes	CareCore National	This is a crossover code that can be requested under two programs: **MSK Pain Management** or **Sleep Management**. • If your request is intended to be used for **Sleep Management only**, please submit your request under the **Sleep Management program** through the **CareCoreNational platform**. •If your request is intended to be used for **MSK Pain**, please submit your request under the **MSK Pain Management program** through the **CareCore National platform**.
Crossover Code for: **• Primary Program:** Musculoskeletal (MSK) - Pain Management **• Companion Program:** Sleep Management *(See External Notation column for more details.)*	Sleep Management	C1778	Lead, neurostimulator (implantable)	Yes	CareCore National	This is a crossover code that can be requested under two programs: **MSK Pain Management** or **Sleep Management**. • If your request is intended to be used for **Sleep Management only**, please submit your request under the **Sleep Management program** through the **CareCoreNational platform**. •If your request is intended to be used for **MSK Pain**, please submit your request under the **MSK Pain Management program** through the **CareCore National platform**.
Crossover Code for: **• Primary Program:** Musculoskeletal (MSK) - Pain Management **• Companion Program:** Sleep Management *(See External Notation column for more details.)*	Sleep Management	C1787	Patient programmer, neurostimulator	Yes	CareCore National	This is a crossover code that can be requested under two programs: **MSK Pain Management** or **Sleep Management**. • If your request is intended to be used for **Sleep Management only**, please submit your request under the **Sleep Management program** through the **CareCoreNational platform**. •If your request is intended to be used for **MSK Pain**, please submit your request under the **MSK Pain Management program** through the **CareCore National platform**.
Sleep	Sleep Management	C8007	Open implantation of hypoglossal nerve neurostimulator array and pulse generator, not requiring insertion of a separate distal respiratory sensor electrode or electrode array	Yes	CareCore National	

Program	Category	CPT® Code	CPT® Code Description	Commercial Prior Authorization Required?	Commercial Case Build Platform	External Notation
Sleep	Sleep Management	C8011	Open implantation of hypoglossal nerve(s) neurostimulator electrode array(s) and receiver, including external power source and all system components	Yes	CareCore National	
Sleep	Sleep Management	E0492	Power source and control electronics unit for oral device/appliance for neuromuscular electrical stimulation of the tongue muscle, controlled by phone application	Yes	CareCore National	
Sleep	Sleep Management	E0530	Electronic positional obstructive sleep apnea treatment, with sensor, includes all components and accessories, any type	Yes	CareCore National	
Crossover Code for: **• Primary Program:** Musculoskeletal (MSK) - Pain Management **• Companion Program:** Sleep Management *(See External Notation column for more details.)*	Sleep Management	L8680	Implantable neurostimulator electrode, each	Yes	CareCore National	This is a crossover code that can be requested under two programs: **MSK Pain Management** or **Sleep Management**. • If your request is intended to be used for **Sleep Management only**, please submit your request under the **Sleep Management program** through the **CareCoreNational platform**. •If your request is intended to be used for **MSK Pain**, please submit your request under the **MSK Pain Management program** through the **CareCore National platform**.
Crossover Code for: **• Primary Program:** Musculoskeletal (MSK) - Pain Management **• Companion Program:** Sleep Management *(See External Notation column for more details.)*	Sleep Management	L8681	Patient programmer (external) for use with implantable programmable neurostimulator pulse generator, replacement only	Yes	CareCore National	This is a crossover code that can be requested under two programs: **MSK Pain Management** or **Sleep Management**. • If your request is intended to be used for **Sleep Management only**, please submit your request under the **Sleep Management program** through the **CareCoreNational platform**. •If your request is intended to be used for **MSK Pain**, please submit your request under the **MSK Pain Management program** through the **CareCore National platform**.
Crossover Code for: **• Primary Program:** Musculoskeletal (MSK) - Pain Management **• Companion Program:** Sleep Management *(See External Notation column for more details.)*	Sleep Management	L8686	Implantable neurostimulator pulse generator, single array, nonrechargeable, includes extension	Yes	CareCore National	This is a crossover code that can be requested under two programs: **MSK Pain Management** or **Sleep Management**. • If your request is intended to be used for **Sleep Management only**, please submit your request under the **Sleep Management program** through the **CareCoreNational platform**. •If your request is intended to be used for **MSK Pain**, please submit your request under the **MSK Pain Management program** through the **CareCore National platform**.
Crossover Code for: • Primary Program: Musculoskeletal (MSK) - Pain Management • Companion Program: Sleep Management (See External Notation column for more details.)	Sleep Management	L8688	Implantable neurostimulator pulse generator, dual array, non-rechargeable, includes extension	Yes	CareCore National	This is a crossover code that can be requested under two programs: MSK Pain Management or Sleep Management. • If your request is intended to be used for Sleep Management only, please submit your request under the Sleep Management program through the CareCoreNational platform. •If your request is intended to be used for MSK Pain, please submit your request under the MSK Pain Management program through the CareCore National platform.
